BULLETIN

ARE YOU THINKING OF SELLING YOUR PROPERTY?

HOW WOULD YOU LIKE TO SHOP FOR YOUR NEW HOME WITH A "GUARANTEE SALE" FOR THE ONE YOU ARE LEAVING BEHIND?

Here's how it works!

Allow me to appraise your present home and set a current "market value" and I will guarantee you a set price. The agreement with me is to sell your property within a specific time. If I am unsuccessful... I will buy your house for the agreed set price. That's how confident I am in the ability to find a buyer and I take the chances.

Should I be fortunate enough to obtain a better price than agreed upon, I will rebate the difference to you.

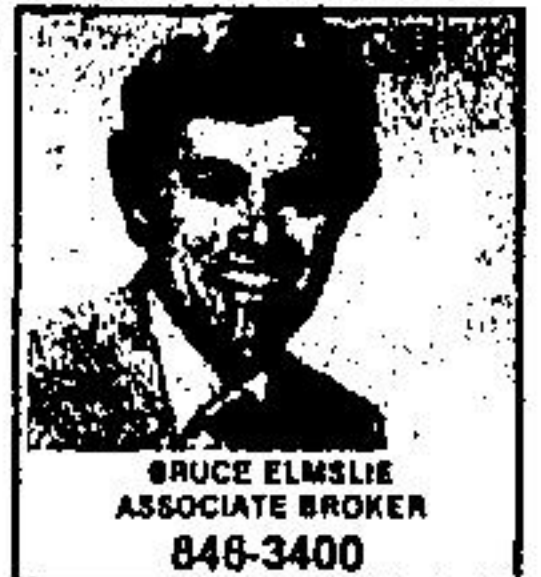

Wouldn't it relieve your mind to shop for your new home with "ready cash"? That's how you make a better purchase!

A pretty "Risky" move for me? Not really! It's my business to sell properties and I've got a whole lot going for me... powerful advertising programs, a real workhorse sales staff behind me, and the financial connections to assist you at no cost on the best way to finance your home. We also have offices throughout Canada and the United States through the Re/Max Network who ask us to find properties for people being transferred to this area.

Let me get to work for you... you'll receive the same courteous, friendly, and professional service that has made us one of the most active real estate firms in the area.
