Charette season ends

After round six in the Hub league play-offs the Charette Major Pee-Wees were eliminated by Guelph 3-2.

The series between the two clubs was a see-saw affair with both teams gaining wins and losses but Guelph proved to be the stronger team as they took their fourth win in the best out of seven series.

In game five Acton notched a last minute goal to edge the Guelph squad 1-0. Stephen Fleet recorded the goal with aid from Paul Coverdale.

In the final match Guelph hosted Charettes in a thriller of a game that saw Acton take a 2-1 lead at the beginning of the third frame and then Guelph came back with two quick goals in the final minutes to take a 3-2 win and the series.

Michael Brouwer notched the first goal of the game with assists from Greg Smith and Michael Williams and Sean Sears pegged Acton's second marker with aid from Rene Vankesteren and Steve Robertson.

Charettes also had their sights set on a tournament win last week in the Goderich event and after tallying two wins the local squad returned to face Bolton.

In another exciting match Charettes took the lead scoring two quick markers in the second frame but Bolton came back with four straight goals. The local squad pounded in the final marker in the match but Bolton hung onto a one goal lead for the win.

Jason Boose blasted in a pair of goals and Williams added a single with assists from Vankesteren, Robertson and Coverdale.

Top Elora

The Beardmore Minor Pee-Wees are just one win or a tie away from a berth in the Hub League championships after blanking Elora 8-0 this week.

The local Pee-Wees tied Elora in game one of the best out of seven series and then, at home March 9, defeated their opponents 6-4.

Eric Mattson and Robbie Lockhurst tallied two goals each in the effort and Kelly Jupp and Paul Westaway came up with singles for the win.

The series continued on March 13 and this time Elora proved to be the stronger team as they dumped the local squad 4-1. Mattson notched the lone Acton goal.

On Thursday March 15 the Pee-Wees were back in Elora where Acton took the upper hand and swamped their opposition 8-0.

Goalie Sean Warren was credited with the shut-out and Jupp had a fantastic game tallying four markers. Lockhurst pegged a pair of goals and Marty McAfee and Sean Coleman added singles.

Kent Petty won a bronze medal at the Central Ontario Interclub sectional competitions held in Port Credit recently. Kent competed in the pre-juvenile men's category.

Ron Barker and Kari Cripps were silver medalists in the Junior Bronze mixed dance event at the Central Ontario Interclub sectional competitions held in Port Credit recently.

Letter stirs trouble

Re: Referee is disappointed by turnout

Dear Sir:
To me the facts of my last letter were simply stated and were correct. They will never change and were expressed from my point of view only.

It is with deep regret that my letter has caused so much inconvenience to the Executive of the Acton Referees' Association and those pressured to resign.

Some completely unknown members of the community have threatened the physical well being of some members of the Acton Referees' Association over my letter.

As a member of the community I am again disheartened that people of this town can stoop so low as to threaten people. It is a very sorry state of affairs when a simple letter designed only to express one person's point of view has turned into such an ugly situation.

Is it any reason young people go astray when they have their parents fine example to look up to. (The threats to another person's wellbeing). What would these irresponsible people do with something really important? After all, this incident was over a benefit game and a subsequent letter expressing my own view points.

The benefit game was something the referees wanted to do for minor hockey in town and has been done willingly over the past four years. Now it has all turned sour and been thrown back in our faces by some. It is the young people who have turned out to be the real losers over this incident.

My apologies to those who have been threatened because of my letter and those pressured to resign as well as their families.

The Acton Referee.

Letter didn't reflect ref group's views

Dear Sir:

On behalf of the Acton Referees' Association, would you please arrange to have the following statement included in the Wednesday, March 21, 1984 edition of the Acton Free Press:

"To the Acton Minor Hockey Association" Re: Referees' Benefit Game—March 3.

The opinions expressed in the letter printed in last week's Free Press were the personal views of an, as yet unknown,

person and were not sanctioned by the Acton Referees' Association Executive.

The Acton Referees Association Executive regrets any embarrassment the letter caused the Acton Minor Hockey Association and as in the past, wish them continued success in hockey.

Sincerely, Executive, Acton Referees Association.

Raiders trail 2-0

The Georgetown Chrysler Raiders jumped out of the frying pan and into the fire this past week in OHA Senior 'A' play-offs.

The hometown team jumped out of the frying pan last Tuesday evening disposing of the Collingwood Shipbuilders 5-2 in the seventh and final game of their quarter-final series but landed in the lap of the Petrolia Squires and now trail the semi-final match-up two games to none.

The Raiders have played the Squires even for 55 minutes in each of the first two games of

their best of seven set but in both matches allowed Petrolia goals in the dying minutes. On Friday at Alcott the Raiders carried a 3-2 lead into the final frame and came up on the short end of a 4-3 score. On Sunday in Petrolia the two sides were even until the final four minutes when the Squires did the final damage to gain control of the series.

Raider general manager Dave Kenner commented two weeks ago that a Tuesday night match could change the series. At that time the Raiders led the Collingwood Shipbuilders 2-0.
