Local teachers at conference

Two Georgetown District high school teachers and one from Acton were among Halton's 12 person delegation to the 66th Ontario Secondary School Teachers' Federation (OSSTF) annual assembly. Joan Silk and Tom Ramautarsingh of Georgetown High School and Kleth Black of Acton High spent four days at the Skyline Hotel in Toronto at the assembly. They were among the 381 voting delegates from all over Ontario.

Educational and social issues as well as federation matters were discussed. Some of the main topics discussed were OSIS (the new education system which will be introduced in Sept. 84) disarmament, certification, superannuation, violence in schools, the organizing of unorganized teachers of Ontario and their membership in OSSTF and the election of officers for 1984-85.

Propose bigger hydro deposit

Halton Hills Hydro customers may have to pay a bigger deposit before their hydro will be hooked up. The proposal, brought forth at last week's Hydro Commission meeting by Bill Smith is a measure being considered to offset the commission's losses through non-payment of hydro bills. In 1982 the commission lost over \$9,000 through non-payment. Presently, tenants in Halton Hills paying for their own hydro must deposit a minimum of \$50 which goes toward paying the customer's final bill. Currently the customer's \$50 deposit does not collect interest but under the new

proposal the interest collected on a deposit will also go towards a customer's final bill.

Hydro purchases 230 new poles

Guelph Utility Pole will supply 230 fully treated pine poles at a cost of \$53,660 to Halton Hills Hydro. The poles come in a variety of sizes ranging from 30 feet to 60 feet and will be used to replace worn out poles on existing lines and to service new lots.

SPRING into ACTION
Fashion Show

Open Mondays

RECIPE OF THE WEEK
KEY LIME PIE

1 can Eagle Brand condensed milk
4 egg yolks
1/2 cup lime juice

Beat above ingredients together. Beat 1 egg white until stiff and fold into the mixture. Pour into baked pie shell (or graham cracker shell). Beat 3 egg whites and gradually add 6 tbs. sugar and 1/2 tsp. cream of tartar. Pie on top of filling and bake at 350° until golden brown.
