

# Meanderings

The rivulets were gurgling, the crows were cawing, the red squirrel was at the feeding station and so I decided it was time to get out the seed catalogue and order seeds for another year. After all, the sweet peas and the garden peas are supposed to be planted by April 20.

I'm taking a chance on planting tomato and cucumber seeds from last year's crop but parsnip seed should be purchased fresh each year I am told. My sister-in-law in Victoria just wrote to say the spring flowers are blooming there and so I'll take a few twigs from my forsythia bush and in a week or so I'll have some spring blooms in the house.
