

# \$60,000 for one snow plow

Snow plowing or winter maintenance is an expensive proposition in Halton Hills, and little wonder when one snow plow costs an estimated \$60,000.

That's what's budgeted for a 1984 purchase of a new truck, plow and wing to replace a 1977 vehicle.

Among the other major works department purchases approved recently by council in the 1984 budget is a one ton truck expected to cost \$13,000 and a station wagon anticipated to set Halton Hills back \$11,000.

A wood chipper is pegged to cost \$23,000 while replacing a 1973 backhoe is estimated to cost the Town \$45,000.

Three types of lawnmowers, 16 machines in total, are budgeted to cost \$34,300, while \$1,500 will be spent purchasing three weed eaters.

Other equipment purchases for 1984 include a cement saw worth \$750; five mobile radios for \$5,000; \$11,000 for a new asphalt roller and \$2,750 for an aerator.

## TOWN OF HALTON HILLS RECREATION REPORT

**LAST CHANCE TO REGISTER!**  
Be sure to get in to either the Acton or Georgetown Recreation Office this week to register for adult FITNESS PROGRAMS commencing the week of April 2nd, 1984. Call 877-5185, ext. 260 for more information.

**CRAFTS FOR DISABLED ADULTS**  
The Halton Hills Recreation & Parks Department in conjunction with the Credit Valley Artisans has planned an afternoon of Easter Crafts Instruction and coffee for disabled adults for Thursday, April 5th, 1984, 1:30 to 3:30 p.m. at the Credit Valley Artisans Cottage, Cedarvale Park, Georgetown. The cost is \$2.00 per person—Call 877-5185, ext. 260 to pre-register. NOTE: Please bring a clean salmon/tuna tin to make your own floral table centrepieces.

**ParticipACTION CHALLENGE MAY 16th!**  
The Halton Hills Recreation and Parks Department will be coordinating this community effort to prove to other Canadian cities that we are the most healthy, active and vibrant community of our size in all of Canada! An organizing committee has been formed and met on March 21st. Enthusiasm for the Challenge is growing—become involved. Call 877-5185, ext. 260 TODAY for details.

**DAY TIME SWIMMING**  
The Georgetown Swimming Pool will open for day time swimming on Mondays, Wednesdays and Fridays from 11:30-12:30 p.m. until April 6th. The time of this swim will change after this date, check the paper for a revised schedule.

**BUDDY SWIM**  
March is Red Cross Month! The Red Cross is involved with a variety of services for the public including Water Safety. In the interest of safety NO swimmer should ever swim alone. The Town of Halton Hills wants to insure that all swimmers know and follow this rule so on March 31st we are having a "BUDDY SWIM" if you bring a Buddy to the Public Swim on that day, two people will be attended for the price of one. So find a Buddy and plan to attend Acton Swimming Pool 2:30-3:30 and Georgetown Swimming Pool 3:30-4:30 p.m.

# 1984'S BEST BARGAIN: A NEW OIL BURNER FOR \$8.65 A MONTH PLUS \$76.35 SAVINGS\* IN THE FIRST YEAR!

\*Savings of \$123.70 in the next four years and \$227.50 thereafter, based on today's fuel oil prices and an average-sized home.

You don't even have to think about conversion when you get an offer this good! Here's our offer:  
We'll install a new Riello Mectron 3 burner in your oil furnace for \$8.65 a month for five years. It's like updating your furnace by renting - except that at the end of five years the burner belongs to you. Furthermore, there are no interest charges built into your monthly payments.

We ask only two things: you sign up as a Boehmer oil customer for five years (after all, you have to get your fuel oil from someone!) And, you'll get your fuel oil from us at the most competitive price on the market. Guaranteed.

Second, we ask that if you move, you pay the balance of what may still be owing on your Riello Mectron burner. The Riello Mectron burner is the cheapest way of reducing your fuel oil bill - it's cheaper than converting. It's cheaper than buying a whole new furnace.

The Riello Mectron burner is the sophisticated product of European heating technology. It's sold and has proven itself in more than 40 countries. Now it's here in Canada. For the past year we have been installing Riello burners in many local homes. Based on our own findings, here's how, by taking up our MECTRON offer, you can actually update your furnace AND put money in your pocket, year after year: Based on an annual fuel consumption of 3,500 litres (the average size house) and current fuel oil prices:

1st year fuel oil savings .....	\$227.50
Your 1st year costs (\$56 down payment) plus 11 monthly instalments of \$8.65) .....	\$151.15
Your net savings .....	\$ 76.35
2nd year (and subsequent years) savings .....	\$227.50
Your 2nd, 3rd, 4th and 5th years' costs (12 monthly payments of \$8.65) .....	\$103.80
Your net savings .....	\$123.70

AFTER 5 YEARS, OF COURSE, YOUR YEARLY SAVINGS WOULD BE \$227.50 - even at today's oil prices! Because by then you would be paying no more monthly instalments. Of course, if you have a larger home and burn, for example, 4,500 litres per year - your first year's savings would be \$141.35 and subsequent years would be \$188.70.

**UPDATE YOUR FURNACE FOR \$8.65 PER MONTH. AND PUT MONEY IN YOUR POCKET. HOW CAN YOU MISS?**

To get more information: Just phone the nearest Boehmers office and ask for our Energy Products Division or send in the coupon. There's no obligation.

Mail to BOEHMERS  
301 Armstrong Ave.  
Georgetown L7G 4X8

I would like to make an appointment, without charge or obligation, for a Boehmer energy specialist to visit my home with information about the MECTRON burner and other fuel saving ideas.
