

## Renovations at Terra Cotta

A new service centre, containing wash-rooms, cross-country ski rentals, a winter food concession, display area and administrative office will be built at Terra Cotta Conservation Area.

The building by the swimming pool will also be enlarged, with the addition to be

used for first aid and lifeguard facilities.

Since the 500 acre Conservation Area lies within the Niagara Escarpment Development Control Area, Halton Hills council was asked if there was any objection before the NEC issued a permit.

## Ballinafad

### Cannington youth choir delights congregation

The youth choir from Cannington and surrounding areas came to Ballinafad Church on Sunday morning. Their performance was above expectations. The group of 35 singers, ranging in age from 14 to 24 delighted the large congregation, as they presented "The Dreamer," a Cantata depicting the life of Joseph. Members of the group were picked to personally Joseph, Benjamin, Jacob, Mae East and Pharaoh. Some beautiful singers took the solo parts with all the group singing the Choruses. The program opened and closed with the same Sacred Number, "Praise His Name and See It Happen." What a fine group of singers they were! All so enthusiastic and happy. All through the fall and winter they learn music, speaking parts and choreography practicing many hours each week.

example they set. Much credit is due to the organizers of this group.

Don't forget, this coming Sunday is Anniversary Sunday at the Church Rev. Kelvin Johnston will be the guest speaker.

The fashion show sponsored by the UCV, was, as usual quite successful. It was held at the Community Centre on Wednesday evening, April 25.

Recent visitors at the Smith Farm were Mrs. Norman Swann and daughter Beverly from St. Catharines and Mr. and Mrs. Danny Didd from Orton with Mrs. Didd's Brother who is visiting from Belgium.

### Families wanted to host students

Families are being sought in Georgetown and area to host foreign students for the coming year 1984-1985.

Each visiting student is between the age of 15 and 18 and lives as a member of a family, while attending classes at the local high school. Interculture Canada will host 180 students this year.

The most important criteria for hosting are generosity, understanding, and open mindedness.

Although many host families have children of high school age, families with young children are eligible and are encouraged to apply. Host families are not asked to make special expenditures for their student, but they do pay food costs and incidental expenses which they would pay for their own child.

Interculture Canada extends medical coverage to its students and issues a monthly allowance. Currently there are 140 students from 40 countries living and studying in Canadian communities.
