

Vehicle costs under budget

The Town's obtaining better trade-in allowances than expected so tenders for works department vehicle purchases are coming in under budget.

A new snow plow was expected to cost \$60,000, but the lowest of three tenders was for \$55,538. McLeave Truck Sales of Brampton beat out Terrace Lincoln Mercury and Colony Lincoln Mercury in the bidding.

A four door crew cab tender came in at \$9,546.19 when the budgeted amount was \$13,000. Capital Ford beat out Park Lincoln Mercury on this tender.

Neither tender for a station wagon fully met specifications and will be readvertised. Both of the firms which did tender can submit new bids.

USC helps

As part of an income-generating program for 22 unemployed women, USC Canada is providing \$5,000 to cover running costs for a cooperative ceramic production unit in Mgababa, Swaziland. The USC is located at 56 Sparks, Ottawa, K1P 5B1.

SAFE WATER FOR NEPAL

In Nepal, the most common diseases, typhoid, cholera, dysentery, polio and hepatitis, stem from food, water and soil contaminated by human waste. USC Canada has allotted over \$46,000. to its Nepal budget to build water and irrigation systems, provide sanitary facilities and instruction in general hygiene. USC Headquarters are located at 56 Sparks Street, Ottawa, K1P 5B1.

Which generation will beat Huntington's Disease...

Right now we're so close. We've identified a "marker" that will lead us to the defective gene that sits in the body like a time bomb waiting for middle age before it goes off. We know that the progressive memory loss and involuntary muscle spasms of Huntington's are brought on by this defective gene causing the premature death of brain cells. What we don't know is why this gene is present in 1 out of every 10,000 people in our population. Or why it is inherited by only 50% of the children of a Huntington parent. Or why it waits until middle age to strike, often after another generation has been born to live every day with the fear that

they too may have inherited the Huntington gene from their parent.

For those with Huntington's

Here's my cheque to help you beat Huntington's Disease forever.
