

## Cleaning along roads to cost \$207,916

There's a lot more to roads maintenance in Halton Hills than just fixing up the road or clearing away the snow. Taking care of the plant life on road-sides is also a costly job. According to the recently passed 1984 municipal budget \$207,916 will be spent on 11 road-side maintenance programs. Mowing grass is pegged to cost \$23,920, while spraying to get rid of weeds is supposed to amount to \$14,300. Tree trim-

ming and removal is expected to cost \$20,000, while the tab for brushing is estimated at \$5,000. Sodding and grass repairs along roads will cost \$1,200 and \$4,100 is budgeted for rural road litter pickup. Ditching, which will be on the Third, Sixth, Fourth, Tenth, Eighth Lines as well as 22 and 27 Sideroads, will cost an estimated \$98,056. Cleaning out catch basins is expected to cost \$19,640.

## Hire speech pathologists

Halton Board of Education is going to hire some speech pathologists. The administration plan, approved Thursday after several failed amendments and considerable debate, will see speech pathologists hired as speech correction teachers quit or retire. There will be still be approximately 10 people employed by the board in this area of student service, some will be correction teachers and some pathologists. Speech pathologists for this school year will cost about \$30,000 and the money will come from reduced use of 10 instructional aides in special education. The 1985 cost of speech pathologists will be determined at budget time in 1985.

# GA'NO SOTE HIKE-A-THON

Ga'No Sote is the Iroquois word for Longhouse, and it is hoped that the first Longhouse at Crawford Lake Conservation Area will be constructed from funds raised on June 3, 1984.

This Hike-A-Thon is the first project ever organized as a joint campaign involving Jaycee and Jaycette units from every Municipality in Halton. People of all ages will be encouraged to take part in the Hike-A-Thon to make it a community project that will appeal to students, hikers, fitness enthusiasts and families.

Both the Halton School Board and the Halton Separate School Board have given Ga'No Sote their full endorsement and it is hoped that more than 5,000 people will take part to raise approx. \$50,000.00.
