Tennis Club opens season

by Vic Morris
Perfect sunny weather, a good turnout of enthusiastic players, good games and gourmet hot dogs were all the ingredients needed to make Sunday the best opening the Acton Tennis Club has had in years. The new season was initiated with a round robin open for both club members and non-members in the senior and junior categories. In a draw for the juniors, Erika Schroll won a tennis racquet and Craig Tatton received a can of tennis balls for their efforts. Inter-county league games are now underway and on May 24 Acton visited Mimico for mixed league action and the local teams came away with a convincing 5-1 victory. The next Acton Club's fixture is at home

Thursday against Regency Racquet. The Acton ladies also got off to a great start in their first fixture of the season on May 18 as they defeated Pine Point 4-0. Their May 23 fixture at Whiteoaks was rained out and will be replayed later this month. The junior boys' league, which lost a few of its players to the senior squad, is regrouping under coach Gerry Veldman and in their first two fixtures this season they lost to Gordon Alcott and Credit Valley by identical 6-2 scores. Their May 26 fixture against White Oaks was rained out and will be replayed at a later date. Club member Harold Saville is once again organizing beginner tennis lessons this year starting with juniors in the first three weeks of June and seniors' lessons will be held the

first three weeks of July. All lessons will be held on Monday and Wednesday evenings. The old favorite Friday night senior round robins will be held weekly from 7.30 to 9.30 p.m. starting June 1. This league caters to players of all levels of competition and players are matched according to ability. The Juniors haven't been forgotten either as round robins are being organized for them as soon as school is out for the summer. These will be held weekly on Mondays from 1.30 to 3.30 p.m. The club executive, under president Chris Steen, is working hard to make this the best season yet and the new executive is urging new players to come out and join in the fun. Interested people can call Ann Thorpe at 853-2331 or drop into J and T Sports for further information.

Local diver ranked 13

After national competitions in Edmonton last weekend local diver Mike Bowers has been ranked number 13 in Canada on the three metre board. As well, the 14-year-old diver has been ranked number 15 on the one metre board, and 15 on the tower. It was Bower's first national competition and he said he was disappointed with his performance. He said he hoped to place in

the top 10. The meet was held at the Kinmen Aquatic centre in Edmonton where the Commonwealth Games were held last year. Bowers has two more meets coming up in the next two months and in his next meet he'll have some international competition in the Ontario-New Jersey meet in Burlington. Bowers will also compete in the Ontario Summer provincial Championships in Sudbury in July.

Atoms down Eramosa 4-2

AB Foodland Tri-County Atoms took their season opener this week, defeating Eramosa White, 4-1. Both teams were on even terms after one inning of play with no scoring and then Acton matched their opponents with one run in the second. Matthew Ginn drew a walk to first and then ran the bases on a triple by Jeremy Marsh. The score remained 1-1 through the third inning and then the Acton bats pounded in three more runs for a decisive 4-1 win.

Graham Ruse drew a walk, stole second and was hit home on a single by Jason Dunn. David Deforest was then walked and, following a drive by Troy MacDougall Deforest romped across home plate. The fifth inning saw neither team able to score. Team members this year are David Deforest, Kenny Jaffray, Chris Schick, Matthew Ginn, Jason Dunn, Andy Brouwer, Chad Rowell, Jeremy Marsh, Graham Ruse, Michael Schell, Christian Schroeder, Kyle Thompson, Scott Rickerby, Steven Slaney and Troy MacDougall.

Nellis stomps Hornby

Nellis Construction Atoms were really hitting the ball May 23 as they stomped Hornby 13-2 in four and one half innings of play. Hornby got onto the score board first after Richard Warren walked to first and then was sent home after another walk and then a double by Grant Bowler. However, Hornby's lead was short lived as Ryan Masales, Brett Wilson, Dwayne Sankey, Brad Hayter and Chris Hayter crossed home plate on a series of walks and errors. At the end of the first inning the local squad had established a 5-1 lead. The Acton defence then came into play as Hornby was allowed only two hits in the second inning. At the same time the Hornby defence was rolling and the home team was also kept from increasing their lead. The third inning was much the same story for the Hornby batting line-up as they were shut-down again but it was a different story for Nellis Construction as Sankey and Brad Hayter singled to get on base and then Chris Hayter sent the ball over the fence to chalk up three more runs.

McCallum was walked to first sending Corkum home and a single by Jonathon Coe got Willmott in. With the bases still loaded Jason Vidler banged out a triple to send the rest of the baserunners home but a throw to third put Vidler out of action before he could score. Pitcher Brad Hayter struck out all three Hornby batters in the top of the fifth to record 14 strike-outs while the Hornby pitcher managed only six strike-outs.

Firestone upset by Hillsburg

The Halton Hills Firestone Ladies Fast-ball squad had a rather poor week as they were blanked 11-0 by Hillsburgh and then edged by Erin 7-4. Pitching in the Acton-Hillsburgh match was shared by Janice Inglis and Clare Herrmann and good defence was supplied by Marion Case and Patty McClure. None of the Acton squad could get a piece of the ball to get on base and score. In the Acton-Erin game Janice Inglis had a good day both on the pitching mound and at bat. Inglis pounded out a double and a triple to knock in a couple of runs and she pitched well. Sandra Brundie, Sue Poulsen and Patty McClure also helped the cause with singles. The ladies will be back in action tonight (Wednesday) as they take on Hillsburgh at 8.45 p.m.

J and T drop opener

In their season opener May 24 Willowdale Foods downed J and T Sports 22-12 in Grasshopper Houseleague action. Devan Ambrose led the Willowdale assault with two home runs and two singles while Matthew Smith and Chris Gillingham slammed one home run and two singles each. Paul Schick led the J and T effort with three home runs, Seth Homer powered out one round tripper

Squirts dump Hornby 20-6

The Acton olde Hide House Squirt girls downed Hornby this week with a decisive 20-6 victory in Halton Rural softball play. Home runs were recorded by Jodi Kri, Angele Dunn and Andrea Gudgeon.

THE CAPTURE GAME

The capture game is an adult game of hide and seek. Two teams of up to twenty players try to capture the other's flag, hanging in a clearing somewhere deep in the bush and return it to base. You protect yourself and "eliminate" the enemy with a 36 shot CO2 powered "L2" look-a-like gun. The ammo is harmless dye filled pellets that splat you with red when hit. You'll need all the stealth and cunning and of course a winning strategy to triumph. Experience fear, knowing all will and well; the worst consequence being the embarrassment of "elimination". To the victors, go the realization of all their youthful fantasies.
