

Region briefs

Hostel contracts

Halton region has renewed contracts with seven area public care institutions, including the Acton Seniors Residence and Cher's Rest Home, for hostel purposes as needed. Council approved payment rates as recommended by regional staff that are lower than most of the hostels' requested rates as well as the provincial maximum. The two Acton hostels will be paid \$20.87 per use, up from \$19.88 last year but as much as \$9 lower than requested by the hostels.

River Run servicing

The region has formally assumed municipal services for the River Run townhouse subdivision on River Rd. above Glen Williams. Now that the subdivision's owners have met all contractual commitments dating from the start of the project, Halton and Halton Hills have taken over responsibility for servicing. A bylaw discharging the old Regional Condominium Agreement was approved last week.

Fruity Fertilizers new club's name

by Tamara West

The first meeting of the Ballinafad 4-H group was held Saturday, May 5. There are 14 members and two leaders in the 4-H group.

Known as the Fruity Fertilizers members learn to keep a vegetable garden, beautify a flower garden and have lots of fun doing it. The program goes on for five weeks. It is interesting and fun for girls and boys from the ages 12-21.

\$11.7 million monthly cost

Running the school system in Halton for the month of April cost \$11.7 million.

As expected teachers' salaries took by far the greatest share, at \$9.16 million, with plant operation second at \$1.2 million. Pupil transportation cost \$370,778, with debt charges almost exactly the same amount.

Business and general administration combined accounted for \$154,615, while the cost of educating the trainable mentally retarded amounted to \$91,636.

Some of the winners in the kite-making contest at Georgetown Christian School last week hold their creations, or what's left of them. Julie de Kleer (left) won the most creative category for a kite made out of a rain hat. Nancy Walraven (middle) and Naomi Kunica had the highest flying kite. It kept right on going out of sight, but they kept the tails. Rachel Fishback (front) has the best homemade kite in the "wouldn't fly" category.

Silverwood

Two honored by institute

by Doris Calder

Mrs. Willa Shortill and Mrs. Mary Marchington were honored and recognized by fellow Silverwood Women's Institute members at the May meeting, for their spirit of enthusiasm and dedication always present in their endeavours for the Institute.

Mrs. Shortill was presented with a Certificate of Merit and FWIC pin in recognition of her devotion and excellence as Past President for the Silverwood branch.

Mrs. Marchington was presented an FWIC pin in recognition of her 24 years of continuous hard work and enthusiasm as curator of the branch. Mrs. Marchington was not only responsible for the assembly of a Silverwood Women's Institute history book but for the assembly of the Tweedsmuir History book which required hours upon hours of research and now truly stands as a most interesting and educational work of local history.

The meeting, which was held at the home of Mrs. Margaret Campbell, proved educational as guest speaker Gil King, Georgetown's postmaster, talked on Canadian Indian Affairs and some areas of the post office.

King, a full-blooded Iroquois Indian,

explained that the Indian Act of 1876 is the only protection offered to the Canadian Indian today and it is in his opinion a most primitive Act which requires many changes. He explained that Indians are very restricted in their marriage laws, land purchases and in the quality of teachers in the education system.

He brought along some Indian crafts and artifacts. Of most interest were hand-made boxes which were decorated with porcupine quills. He also showed some of his own hand-made jewellery which he crafts from sterling silver and semi-precious stones.

The postmaster also had some very imaginative gift ideas, particularly for "it" person who has everything" which can be purchased through the Canadian Post Office. Some of the ideas were: stamp collecting kits, purse and pocket size books, stamps and pre-stamped envelopes.

The ladies of the Silverwood Women's Institute continued with their plans for a bake sale which will be held on Friday, June 22 as part of the Downtown Pioneer Day Celebrations.

The next meeting of the Silverwood Women's Institute will be Thursday June 14 at the home of Mrs. Willa Shortill

NOTICE To Property Owners in the Town of Halton Hills THE ONTARIO WEED CONTROL ACT

as it applies to persons in possession of land within the Town of Halton Hills. Unless noxious weeds are destroyed by June 11th, 1984, and as often as necessary throughout the season to prevent the ripening of their seeds and dispersal of their pollen, the Town of Halton Hills may enter private property and destroy these weeds. The costs will be charged against the property owner and collected in the manner of Municipal Taxes.

Goatsbeard, Thistles, Chicory, Poison Ivy, Ragweed, Wild Carrot, and Milkweed are among the weeds considered noxious, and must be destroyed wherever found. Complaints regarding Dandelion and Goldenrod will not be accepted as these are not considered noxious under the terms of the Weed Control Act.

Anonymous complaints will not be accepted. KEITH LESLIE, WEED INSPECTOR TOWN OF HALTON HILLS 877-4841

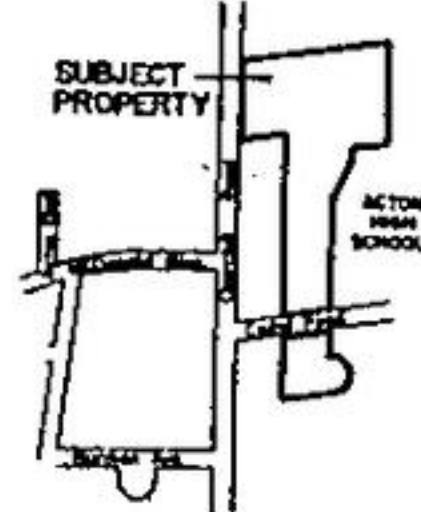

ENGAGEMENT

Mr. & Mrs. Ray Mackey of Georgetown, Ontario take pleasure in announcing the engagement of their daughter Tammy Ella to Ian Michael Johnson, son of Mr. and Mrs. Gerald Johnson of Newmarket, Ontario.

TOWN OF HALTON HILLS

NOTICE OF PUBLIC MEETING

The General Committee for the Town of Halton Hills will conduct a Public Meeting to discuss and examine an application for a proposed residential Plan of Subdivision for the lands noted above, being part of the West Half of Lot 29, Concession 4, to the west of the Acton High School property. The proposed subdivision comprises 12 single family residential lots with an open space area to the north. Further information is available at the Planning Department.

TOWN OF HALTON HILLS RECREATION REPORT

MASTERS SWIMMING
An adult Masters Swimming Program is now available at the Georgetown Swimming Pool on Thursday evenings from 9:00-10:00. New members are welcome. Contact Betsy Latham at the pool between 6:00 and 11:00 p.m. — 877-7721.

P.A.W.S. REPORT
It was show time on Monday as the curtains went up at St. Joseph's Separate School in Acton. The P.A.W.S. group performed their Water Safety skits for the 275 students in what was just the first of almost twenty school presentations that will be made within the next three weeks. The aim of P.A.W.S. is to appeal to children of all ages as they teach them the importance of water safety. Children in Kindergarten to grade 6 will be seeing a Sesame Street skit, while the older students will hear Michael Jackson (played by Lori Kentner) croon to the safety beat. The P.A.W.S. group—Sharon McBride, Pam Andras and Lori Kentner—feel secure in the knowledge that this year's P.A.W.S. Program will have a "PAWitive" influence on the children!

P.A.W.S. SAFETY TIP FOR THE WEEK
In certain emergency situations proper life-saving equipment such as a ringbuoy or reaching pole may not be available. But do not despair. The javex bottle at your feet, or the cooler on the dock or even the spare tire in the trunk of your car can be used to make an effective rescue. A good safety aid is anything buoyant that is large enough to hold a person afloat. Don't forget to keep the person warm while waiting for professional emergency help to arrive.

APPLICATION AVAILABLE
Register before June 4th for the Mayor's Road Race and you and your family will receive a discount rate! Applications are available at all Town Offices and can also be picked up at North Halton Sports, Georgetown and J.T. Sports, Acton. The race begins at 8:30 a.m. on Sunday, June 10th for 10KM runners and 8:45 a.m. for 5K runners. Registration will be available the day of the race from 7:30 a.m. to 8:15 a.m. There will be T-shirts for sale and a Pancake Breakfast following the race. We hope if you choose not to run you'll still join the fun. Come out and support the runners!

Victorian Brass Bed

Pure brass carries on a tradition. An alloy of copper and zinc. It is innately strong and durable properly fitted and joined, will not sag or warp. Unlike plated brass it will not crack, peel or rust. Protected by a clear, baked-on acrylic lacquer, it cleans with only a damp cloth.

5" steel sleeve inserts eliminate stress from headboard and footboard, leaving them free standing 1/8" off floor. Heavy duty deluxe steel frame with carpet rollers included.
