

Mr. & Mrs. Harvey Dewhurst of Acton are happy to announce the graduation of their son, Gary Edward, from the University of Guelph with a Bachelor of Landscape Architecture with Honors degree on June 30, 1981.

Golden Agers

Look forward to two picnics

by Edna Besley
Two picnics will be enjoyed by the Acton Golden Age Club in July. Although the club closes for the summer in June, we keep in contact in July with an enjoyable picnic which will be on Wednesday July 18 at 3 p.m. More particulars will be announced at the next meeting.

Also a free bus will take us to LaSalle Park, Burlington which will be the picnic for June 13 U.S.C.O. of which Acton is a member. As it is a lovely shady park, we hope many will attend, bringing their own lunch and beverage. The bus will leave at 10.30 a.m.

The Golden Age Club met at St. Alban's on a beautiful warm afternoon on Tuesday, June 5.

With the president in the chair and reading a poem, we opened our meeting by singing O Canada and the Theme Song. Jean McLean accompanied and played also for the birthday greetings to Edith Frankland, Bill Thompson and Edna Besley. Anniversary wishes went to Edith and Wilmer Watkins, and Bill and Eleanor Thompson.

In the absence of the secretary, her duties were handled by Edna Besley. As our annual meeting will be the evening meeting in September, a nominating committee was

formed, namely Eileen Eberts (convener) Bob McArthur and Walter Hug.

Marjorie Hall, Irene Davidson and Joe Fuller are members in the hospital, hope you are all feeling better. The quilt committee with Emma Near and Jessie Roden as conveners are to be congratulated in producing a very beautiful quilt in the trillium design. A hearty applause was given to all who had helped in any way to make blocks, put together the quilt and quilters. Also, to the quilting ladies of Trinity goes a thank you for helping and the use of their room. Tickets at three for \$1 are now available from members. The draw is on September 23.

Helen Pickett gave the card convener's report; Irene Terry on travel gave out tickets for Geritol Follies at Massey Hall on July 4, the bus is leaving at noon sharp.

Rockwood Sunshine Band will entertain us on our next meeting, June 20, to climax our year. Hopefully all members will avail themselves of this musical night. Eileen Eberts, as newsletter convener, asked all conveners to have their reports in by this weekend. The meeting adjourned to play euchre with winners being: Ladies: first Teresa Matheson; second Jean Jackson; Men's: first Laura Dennis; second Mae Fountain.

The Chief Scout Award was given to Scott Stewart (front, left) and Donald Campbell (front, right) last Wednesday night at the North Halton District Boy Scouts awards night. Brian Collier (front, centre) received the Queen's Venturer Award. Leaders who received pins for their years of volunteered time are (from left to right): Mark Rowe (10 years), John DeBlauw (10 years), Jean Layman (25 years), Sandy Booth (30 years), Evelyn Owen (15 years), and Jim Auger (10 years).

Cubs receiving a "Five Star" certificate last Wednesday night at the North Halton District Boy Scouts awards at Knox Hall were: Jason Bowers, Christian Caswell, Christopher Kempton, Joey Blikk, Todd Butwell, Jeff Dickey, David Lipp, Geoff Patey, Robbie Crawford, Andy Fuller, Kevin McElhone, Robert Craig, Peter Blencowe, Todd Ellis, Ken Barnes, Alexander Bosma, Mike Vanaltena and Jamie Woods.

Legion notes

by Jim Higgins
This coming weekend our six delegates will depart for Winnipeg for the Dominion convention. If Legion tradition holds, this will mean the end of Dave Copperaids' team of office as Dominion President.

Tickets are now on sale for the Beef Bar-B-Q and also for the "War Show" in Hamilton Place. Members are reminded that no tickets for the Bar-B-Q will be sold after Tuesday, June 19.

The need for pocket novels for the Armed Forces is an ongoing thing and our program has slowed down lately, so please hunt them out and drop them off at the Branch.

Clean-ups at salvage yards

All salvage yard operators are trying to clean up their operation and conform to the requirements of the Town. Bylaw Enforcement Officer Jack Lusty told Halton Hills council Monday night.

He recommended the renewal of the licence immediately to Halton Hills Collision and Lee's Auto Wreckers, and an updated report at the next meeting on Halton Auto Wreckers, Brown's Auto Wreckers, York Auto Wreckers and Watson Auto Wreckers.

He noted each of the four had done repair work to their fences but were not completed so he wanted to give them time to do so.

In the case of Johnson Auto Wreckers, RR 2 Acton, where a new owner has taken over, Lusty favored a further extension since the new owner had already done a great deal of work but would be unable to finish by the beginning of July.

The bylaw forbids the parking of cars outside the fence, but at Brown's Auto Wreckers the owner lives on the premises and told Lusty he feels he should be able to park his own personal vehicle outside the fence.

Sunday School picnic at Kelso

The annual Sunday School picnic was held on Sunday, June 3. After a short worship service at the church a bus drove the congregation to Kelso Park. Following lunch, games were enjoyed by the children and adults. The arrangements were well planned by Mrs. Shirley Swackhamer and Mrs. Linda Denny.

Craig Rumble, our pastoral assistant, has returned from his study trip to Israel.

The Hull family Reunion was held at Ballinafad Hall on Sunday, June 3. This gathering has been held annually for 20

years. Families from St. Catharines, Pt. Elgin, Galt, Georgetown, Milton and Acton attended.

Church services are commencing at 10.30 a.m. for the summer months.

PUBLIC NOTICE
PUBLIC WORKS DEPARTMENT

This notice is to advise water consumers in the Town of Acton that there is no problem in supplying water for the needs of consumers at the present time. However, if a high demand is placed upon the water system due to unusually dry weather conditions during the summer months, this situation may change. We would advise that you conserve water and prevent waste so that it will not be necessary to impose water restrictions.
