

Day camps for asthmatics

The Halton Lung Association is planning to develop annual summer day camps for asthmatic children. The camps will follow a normal day camp routine with swimming lessons, handicrafts, special trips, sports, etc. It will also include one hour of physical conditioning, teaching relaxation techniques and diaphragmatic breathing.

All children with asthma are welcome to attend, upon referral of their physician. The camp is under the medical supervision of Dr. R.W.T. Haddon, Burlington.

In Georgetown, the camp will be held at Wigglesworth School and the Dick Licata Outdoor Pool for three weeks, July 3-July 20, 9 a.m. to 4 p.m. (weekends excluded). There is no fee.

For registration forms and further information, please contact the Halton Lung Association at 3055 New St., Rm. 110, Burlington or call 632-8499.
