ROOS TRAVEL LOOKS AT HOROSCOPE

ARIES March 21-April 18
 Watch your assets as there may be a tendency to over-spend. A financial achievement brings a touch of fame.

TAURUS April 20-May 20
 A restless period for the Taurus. A desire for change weakens the urge to move on to greater pastures.

GEMINI May 21-June 20
 Avoid associating with the depressive type. Seek out companions with an upbeat temperament. Aim for the top.

CANCER June 21-July 22
 Hopes and ambitions may seem beyond grasp. Not true. A more realistic approach puts a new light on things.

LEO July 23-August 22
 Career developments take a favorable turn. Follow the rules and regulations. Leave no room for error.

VIRGO August 23-September 22
 Avoid impulsive action in dealing with in-laws. Difficult ties could arise which would be a long time mending.

LIBRA September 23-October 22
 Be alert to tricky, intuitive Beashe where financial matters are concerned. It's best to avoid new ventures at this time.

SCORPIO October 23-November 21
 Wait and see what the other person plans to do before firming up your own plans. Partner is unpredictable.

SAGITTARIUS November 22-December 21
 Aspects indicate a pivotal point in employment matters. Be sure you are ready for additional responsibilities.

CAPRICORN December 22-January 19
 The love bug could get you in spite of your "never again" attitude. An older associate has an irresistible charm.

AQUARIUS January 20-February 18
 Entertaining at home prompts you to get things in apple pie order. The family is prodded to action.

PISCES February 19-March 20
 Short term travel gets you into some lucrative chance games. Are you a Bingo bell-ringer?

Seek volunteer student help

Area students interested in helping out in the social services field on a voluntary basis can now tap the resources of the Halton Social Planning Council.

Setting up shop at the Acton Social Services Centre on Mill St. East, Connie Roberts is a paid summer student with a mission: recruit student volunteers.

Roberts, a third-year child studies student at the University of Guelph, is north Halton's first summer student volunteer coordinator. While Georgetown young people are also welcome to call her at 853-3310, she'll primarily be matching Acton and Milton students with voluntary jobs suitable

to their skills and interests.

The time commitment can be as little as an hour or two a month, Roberts explains, and will involve such social and community services as children's day camps, care of the elderly at Milton's Centennial Manor, Red Cross programs at the hospitals.

Once contacted by a student, Roberts will set up the necessary connections through the North Halton Volunteer Centre in Georgetown (877-3319).

Local students who've been unable to find the paying job they were seeking or those interested in working in the social services field are urged to call the Acton office.
