

UNEMPLOYMENT

For the last 15 years, the Liberal Government has shown it cannot and will not stop rising unemployment. What a record.

Change the trend!

We can do something about it-but you have to get involved.

The Progressive Conservative Party needs people like you, who can and will contribute time and ideas to change this trend.

Your future is at stake.

If you have had enough of Liberal Government policies and attitudes, let's get together.
