

**High school**

by Janet Rowe  
Last Saturday more than 150 students and teachers from Acton high danced for ten hours in the Bump For Life '78. In this dance-a-thon all the money went to Cystic Fibrosis research. The students who participated did a great job of raising \$5,400 for the cause.

Acton high is number one! The students are now busy collecting the money from their sponsors. All the money must be in within two weeks, so that we can win the \$1,000 first prize. Many people are to be thanked for their help in the contest: the Kinrosses, who organized and financed the dance-a-thon, and all the companies who donated refreshments or prizes for the day. Special thanks to all the people who sponsored students at the high school, making this year's Bump For Life successful. Thanks to all!

April 5, the gymnastics team competed at the Halton East gymnastics meet.

Julia Sit placed third on the junior beam, Leslie Carter placed third on the intermediate beam and Zonya Baker placed first all-round in the intermediate category with a total of 31.50. Jocelyn MacMillan placed third all-round in the senior category.

Last Friday was hat day at the high school. Students and teachers created and wore hats all day until the judging at the end of the day. Best girls' hat went to Janice Thornhill and best boys' hat was won by Peter Zions and Paul Tamblin. They all won tickets to the April 21 dance.

On April 12, the Outers will travel to Sunset Rock to do some bouldering. This exercise will be training for the big climb on April 22 at Rattlesnake Point.

On April 15, music night will be held at the high school. The Acton high school band and the stage band, Free Spirit, will be performing in the cafeteria. Admission is Adults \$1.50, Students \$1 and includes a buffet. Come on out and listen to some good music!

**Money stolen from apts.**

A Churchill Road South resident reported to police that thieves entered his apartment and stole some money.

**We Want Dealers Good Dealers**

Anyone can find dealers. Anybody can be a dealer. But not for Clay. Cause just anybody won't do. Clay Equipment Corp. takes the theme "First in Farm Systems" seriously. We were building complete local environments, hog confinement systems when other people were just thinking about them. And Clay Equipment Corp. was putting together complete dairy barn packages before most dairymen in the business today were even born.

Not so surprising is the fact that most systems look like the ones Clay engineers designed more than 10 years ago. Must be based on the theory that when you've got a good thing you stay with it. And other people imitate it. We're more than a little proud at this tradition. That's why the men we want to represent us must be as good as we are. Can you qualify? Mail the coupon below and find out how you can be a proud Clay Dealer. And how Clay Equipment Corporation's 18 year Pushbutton Farming philosophy can make your business a much more profitable business.
