

CHARLES AND Ruth Leatherland celebrated their 45th wedding anniversary among family and friends on Saturday.

Leatherlands mark wedding anniversary

Congratulations were brought to Charles and Ruth Leatherland Saturday when their family and friends gathered with them to celebrate their 45th wedding anniversary. The afternoon and evening reception at their home on Mill E. was organized by son John and his wife Marianne of Kitchener, daughter Ruthann and her husband Roszel of Acton. Also helping during the happy day were the couple's three grandchildren, David, Jennifer and Julie Leatherland.

Pouring tea were Helen Middleton, Win Elliott, Nellie Beatty, Marsha Moles and Greta Heller of Acton, Maude Salt of Guelph and Glenn Aymor of Mississauga. Helping serve were Patricia O'Mara, Diane Bonnette, June Schmucki of town and Margaret Landry of Milton, with Helen Van Sicker, Bea

Committees are formed for ladies' fair board

by Heather Rennie
The 1978 advance prize list was well received by the Ladies Division of the Acton Agricultural Society. The new format arrived from their printer in time for their monthly meeting last Thursday. It will be mailed to last year's exhibitors shortly. Additional copies are available upon request from the secretary, Diane Evans.

The ladies' concern with expressing recognition of the services given to the fair by retired members led to formation of a committee under Irene Swackhamer to compile a list of honorary directors.

Tickets for the knitted afghan, the macrame wall hanging, and the needlepoint cushion are now available from members. The draw will take place on September 16 during the Acton Fall Fair.

Heather Rennie reported on the Ladies' Section of the 78th annual convention of the Ontario Association of Agricultural Societies which she attended in February.

Members of the ladies division were named to committees for the 1978 fair: parade, Mrs. K. Alger and Mrs. C. Storey; entertainment, Mrs.

Friends-in-Deed

Handicraft night enjoyed by all

by Mrs. Emily Price
The snow is finally disappearing and the feeling of spring is in the air. The crocuses, tulips, and daffodils are starting to show themselves above the ground. It makes a person feel better about everything.

We hope all those who are ill or in hospital will soon be well and up and out to enjoy the good weather which is bound to come soon.

Those who attended the Harry Belafonte show at Hamilton Place on March 30 enjoyed the program very much.

Our meeting in March was handicraft night, with the members working on their own projects. Three articles made by some of the members are to be sold by tickets in the near future, as first, second and third prizes, and can be obtained from any member. We will let people

R. Murray and Mrs. R. Swackhamer; Miss Acton, Mrs. R. Rennie and Mrs. E. Steckley, Mrs. M. Hall, Mrs. R. J. Cooksey and Mrs. Wm. Thompson.

A successful bake sale concluded the euche which the ladies board sponsored Friday evening at St. Alban's Parish Hall.

know when the tickets are ready through the Free Press.

A delightful Strawberry Social was enjoyed by all at the close of the meeting.

Our next meeting will be on April 25 at the M.Z. Bennett school. It should be a very enjoyable one, as we are having a representative from the Royal Botanical Gardens to give a demonstration on arrangements of dried flowers. It should be quite interesting. We hope as many as possible will get out and make our guest welcome. Each member of our group has been asked to bring two or three friends with them and if each of us does this, it will help so much to make our guest feel at home.

Nominations for the election of officers are to be in by April 15, so members, get busy and get them to Marj as soon as possible.

Women's Institute has annual meeting

The annual meeting of the Acton Women's Institute was held April 8 at the library.

The meeting was opened with prayer, the Institute Ode and Mary Stewart Collect by Dorothy Simmons. Minutes, treasurer's report and correspondence were read by Mrs. George Hargrave. Roll call was answered by giving a cleaning hint which ranged all the way from commercial cleansers to 'lots of elbow grease'.

Annual reports were given by: Marjorie Hall, resolutions; Mrs. Roy Lindsay, agriculture and Canadian industry; Jean McLean, Tweedsmuir History; Mrs. Cecil Nellis, public relations; Mr. and Mrs. Wm. Denny, auditors' report.

Collection was taken. Mrs. Lindsay gave a very good report of the district directors meeting which she had attended on April 4 in Milton.

Mrs. Cecil Nellis read an interesting letter she had received from an Institute member in Northern Ireland, telling of the Institute activities and personal hobbies.

Mrs. Nellis moved adjournment of the meeting. Mrs. Hargrave read minutes of the last annual meeting.

The following are the officers for the coming year: honorary president, Mrs. Cecil Nellis; president, Dorothy Simmons; first vice-president, Jean McLean; secretary-treasurer, Mrs. George Hargrave; branch directors, Marjorie Hall and Jean McLean; district director, Mrs. Roy Lindsay; citizenship and world affairs,

Mrs. Thomas Cook; family and consumer affairs, Marjorie Hall; education and cultural activities, Mrs. Wm. Denny; public relations, Mrs. Cecil Nellis; press reporter, Mrs. Cecil Nellis; resolutions, Mrs. George Hargrave; safety convener, Mrs. George Hargrave; and auditors, Mrs. and Mrs. Wm. Denny.

Lunch and a cup of tea were enjoyed.

Daffodils sold for Cancer Society

The children of St. Alban's Church School made a special effort this year to help the work of the Cancer Society.

On Sunday, April 2, they sold home-made cookies after church services; with the proceeds they purchased Cancer Society daffodils which were distributed to churchgoers at the 10:30 service on April 9 and also delivered to sick and shut-in members of the parish. At the end of the service the children

presented a cheque to Mrs. Marg Oliver of the Cancer Society on behalf of the Church School and Parish of St. Alban's.

"The teachers and pupils are to be commended for their efforts to assist in this very worthy cause. In these times of indecision it can help children to have a better understanding of some of the more worthwhile things in life, that of helping others by sharing."

Hillbillies club tour monitoring station

The Acton Hillbillies' C.B. Club held their monthly meeting on April 2 at the Scout Hall. It was decided to have a transmitter hunt, May 7 at the Scout Hall. A short meeting will be held afterwards.

A garage-rummage and bake sale was discussed and

plans were made to have it on May 13, also at the Scout Hall. Organizers hope for a good turnout to both events.

A group of members went through the monitoring station on March 27, and enjoyed it very much. More tours are planned for the near future.

Lakeside donates stools to the Mug

Thirty-two members attended the April meeting of the Lakeside chapter of the I.O.D.E. on April 4.

The group voted to donate stools to "The Mug". Articles for the sale were brought in by members and put on display.

Jessie Coles gave a report on the Decoration Day committee. She pointed out there will be no parade or service again this year, but the graves of I.O.D.E. members and servicemen will be decorated.

Isabel Watson presented a

Lakeside donates stools to the Mug

cheque from former member Miss Emma Robinson to be used for the quilt, being made for this year's bazaar draw.

Marguerite Spielvogel will attend the provincial meeting held in London this month and be a Lakeside chapter voting delegate.

A talent auction proved interesting entertainment. A delicious lunch was served.

Rockwood dog stolen

A German Shepherd bitch was stolen from its R.R. 2, Rockwood owner's home last week.

Thieves gained entry by breaking a padlock off a rear door.

keeps our service top notch and our prices competitive. Serving your needs better.

Make sure your child is immunized against disease.

This is what Ontario is doing to help you.

Over 25% of our children have not been immunized by the time they enter school. That's not only surprising, it's dangerous — because there has been an increase of diphtheria, whooping cough and measles in recent months.

The Ontario Ministry of Health provides vaccines to immunize children against diphtheria, polio, whooping cough, tetanus, measles, mumps and rubella (German measles).

Your Ontario Health Insurance Plan (OHIP) pays a fee to the doctor for administering them.

Immunization can save lives and is quick and easy.

It's up to you — to make sure that your children are protected. Take them to your family physician now, or have them immunized by your local health unit.

A free pamphlet with a chart showing which diseases your child should be immunized against, and at what ages, is available now.

Write today for your copy of the pamphlet "Immunization is Your Responsibility" to:
