Consider limits on hunting area

In response to requests from Halton Board of Education and Upper Canada College's Norval Outdoor School, the Town will consider setting specific boundaries, within the town as no hunting areas.

The Board of Education had requested a half mile radius limit from any school, but Upper Canada College, suggested the area bounded by Highway 7, Mountainview Road, 17th Sideroad to Winston Churchill Boulevard be the boundaries.

In a letter to council, David Thompson, Director of Norval Outdoor School, explained hunters were found on their property between October 31 and November 4 last year. He said an environmental school the aim is to encourage deer to use the grounds.

Thompson emphasized that at that time there are usually 25 twelve year old boys performing a variety of environmental studies, and warned accidents could happen.

Polka Dot Door Live played to a full house at the John Elliot Theatre Wednesday afternoon. Songs, skits, and stuffed animals entertained and educated the kids and hosts Peter and Malika talked to them in both English and French. The Polkaroo made a special guest appearance.
