Plane forced down, passengers unharmed

Four Toronto-area residents escaped injury when their light plane was forced to make an emergency landing in a field near Brisbane Sunday morning.

A number of Guelph OPP and Halton regional police cruisers joined an OPP aircraft searching for the downed Cessna 172 after air traffic controllers at Pearson International Airport reported a plane was missing.

The OPP plane finally spotted the Cessna in a farmer's field near the Sixth

Line and Highway 24. Gordon Harris of Erin township is the property owner.

Guelph OPP report that the Cessna developed engine trouble en route from Toronto to Arthur. Pilot Peter Panayotis, 34, of Mississauga, managed to land the craft successfully in the field, ending up with only minor damage after it struck a fence.

Panayotis and his three passengers were not injured.

Churchill

Strawberries draw a crowd

Churchill community's Strawberry Dessert Social was held at the church Saturday (July 7). Many thanks to all who worked in various ways to make this event successful.

Craig Rumble officiated at Communion service Sunday which was well-attended. We are grateful to the Swackhamer family for placing the beautiful flowers in our church in memory of Elsie Swackhamer.

A "Pot Luck Picnic" at 8.30 p.m. was planned for all the ladies of the church at the home of Jan Soutiere Tuesday (July 10). Rain date is Thursday, July 12.

POOL SHIPSHAPE

The wading pool at Prospect Park has a bright, shiny look thanks to recent efforts by A and A Sandblasting of Hamilton, summoned by the town recreation department to shave off a few barnacles. The pool will see another busy summer, catering to both those registered in rec programs and assorted drop-in traffic.

Bake sale aids Friends-in-deed

by TRINA NOEL
 Our first bake sale June 22 was a great success, so we thank Dawe Real Estate for letting us use their facilities. We also thank May Hoare and her committee for their help and everyone who contributed to the baking.

Although the weather was a bit on the cool side June 25 we were able to have our pot luck supper outside in Ruth Courtney's backyard. There were lots of different dishes and delicious desserts, including Ruth's cherry cheese cake.

After supper we all went inside for the meeting. Secretary Joan Parker took our membership for next year. Ann Dodds mentioned the questionnaire about disabled transportation sent to us by Halton Region. Our president urged everyone to fill it in and send it back to them.

Besides Sunday swimming, there is also Wednesday evening handicapped swimming which started July 4 and will last eight weeks. Times are from 7.30 until 8.30 p.m. and you could call Dorine Robinson 877-8666 for the Acti Van.

Treasurer Marion Keelan took sick and had to be hospitalized in the Guelph General Hospital. We all took turns to talk to her on the telephone and wish her well. Marion is back home now and feeling better.

Shirley Krantz said her farewell to the group as she will be moving to Guelph at the end of August. Shirley, we won't forget you, and we invite you to visit from time to time since Guelph is not that far away.

To all the shoppers of Dominion and Zehrs stores, please keep on saving your cash register tapes for us. Have a safe and healthy summer and we shall see everybody in September for our fall meeting.

Thanks for the Memories
