

**Passover is service theme**

A special presentation called "Christ in the Passover" will be featured Sunday, July 15, at the 11 a.m. worship service of the Georgetown Alliance Church. The church meets temporarily in the Cedarvale Community Centre.

The purpose of the "Christ in the Passover" presentation is to enhance the understanding of Jewish backgrounds to the Christian communion service. A table is set with the traditional Jewish Passover items, including representative foods which are explained but not eaten. Ancient and modern customs are discussed and described with an emphasis on the redemption that Jesus Christ accomplished when He died on the cross.

"Christ in the Passover" has been presented over a thousand times in many churches. Many believe that key elements of Christian faith and teaching are implied in this Passover celebration.
