

Rotarians praised for services to seniors, Scouts

"Discover a new world of service" was the subject of an address to the Rotary Club of Acton last Tuesday evening by Donald Clark of Picton, governor of the surrounding Rotary district.

Governor Clark praised the 30-member Acton club for its excellent service to local senior citizens, the Scouting movement and the Easter Seal campaign.

During his visit, Clark was informed of the local club's activities this year, including the annual Steer Draw and Auction as major fund raising projects.

DONALD CLARK

Governor Clark praised the 30-member Acton club for its excellent service to local senior citizens, the Scouting movement and the Easter Seal campaign.

During his visit, Clark was informed of the local club's activities this year, including the annual Steer Draw and Auction as major fund raising projects.

Concerning activities in this Rotary district, he discussed that the Acton club had been doing a remarkable job supporting its student exchange programme. To date, Rotary International has sponsored almost 100,000 students through its efforts.

Rotary, with more than 20,000 clubs in some 150 lands, is an organization of business and professional men united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world.

Seniors enjoy canal cruise

by Mrs. G. MacDougall
The Friendly Seniors enjoyed a bus trip to Peterborough recently.

They ate their lunch at the Holiday Inn and took a three-hour boat trip up the locks. The weatherman dropped a few showers, but that didn't dampen their spirits.

Trips, breaks arm at family reunion

by Winifred Smith

The Community Centre was the scene of much activity Sunday, when the Sinclair family held their annual family reunion. Races and games were enjoyed.

One incident which marred the occasion was an accident in which Elsie Crymble tripped over part of a fence and broke her arm. Mrs. Crymble of Toronto was formerly Elsie Sinclair and was well known here as she was born and brought up in this neighborhood.

Many of our community residents are on vacation and enjoying this beautiful July weather. Church attendance was down on Sunday, with many of the regular families absent. Rev. Ann Ross was in charge of the service. For the next two Sundays, the minister from Mountainview Baptist Church in Georgetown will be the guest preacher.

Mr. and Mrs. Emerson Clarke, who are celebrating their 25th wedding anniversary

later this week, were surprised Saturday night when a group of their friends went to their home to give them a celebration in advance.

OMB denies severance

Rene and Joan March will not be allowed to sever two lots from their Ballinafad land. The Ontario Municipal Board backed Halton Land Division Committee's decision, and found the application premature.

The hearing was sought to appeal the Land Division Committee's ruling, which also said the application was premature because there had been discussion about creating a subdivision.
