Car radio theft

An AM/FM radio and two speakers were stolen from an unlocked Dodge van on Bower Ave. Tuesday night. The stolen property was valued at \$500.

Sleeping on the road

A 20-year-old Acton man was charged with being intoxicated in a public place after police discovered him sleeping on Maria St. Friday night. In another incident the same night, a 57-year-old man was arrested for public intoxication on Mill St. He was arrested again Saturday.

Pizza robbery

A Mama Rosa pizza delivery man was robbed and left stranded at the side of the road Saturday night. The man was delivering to a Meadvale Rd. residence when he was flagged down by an unknown male, who produced a knife and forced the delivery man to drive to a

rural area. The robber and another male fled in the delivery car with a wallet containing an undisclosed amount of cash.

Scatched car

A Chevy Impala parked on MacDonald Cres. sustained \$250 damage when it was scratched by vandals Sunday night.

A 180 turn

Stephen Roy, 17, of RR 2 Acton received minimal injuries when he lost control of his car on Rexway Dr. in Georgetown. After slamming on the brakes to avoid another car, Roy's car swung around, striking another car driven by 22-year-old Christopher Brambley of Rexway. The Brambley car received \$2,000 damage while Roy's car sustained \$3,500 to the front grill and bumper. Two Georgetown teens were passengers in the Roy car.

Midsummer night's parade
Shades of Shakespeare! It will be a midsummer night's parade tomorrow (Thursday) for the Town recreation department's summer activities staff and students from Eastern Ave. down Mill St. to the Acton arena, where festivities including a penny carnival await. Everyone's invited to come watch the fun. The parade starts at 7 p.m.

Household Hints From Praline McNally

Chicken soup stays clear if you place chicken, vegetables, and herbs into cheesecloth and secure the "package" at the top. Just lift it all out when the chicken's done.

There is a way to remove non-water soluble adhesives without scratching them off the surface: rub with vegetable shortening and leave overnight. They should come off with soapy water.

Fabric softener will keep pant brushes and rollers soft and pliable. Dip them in solution after they're thoroughly clean.
