Val Sabo, 13, a Parks and Recreation Department Leader in Training, Advanced (LTA) worked the camera at Acton's Cable TV studio last Wednesday. Pat Tyhurst (background) was the other cameraman.

Local kids on TV

Psst. Hey kid, I'm gonna make you a star. Although it wasn't as cliched as that, seven local children did have a brush with stardom last Wednesday when the 15-minute mock newscast they wrote and acted out at the conclusion of their dramatic arts course was aired on Cable television, channel 4.

Matthew Woudstra, 9, and Chris Woudstra, 7, of Acton, and Carrie Mulholland, 10, Sara Mulholland, 11, Christy Lightowers, 9, Christine Carter, 11, and Sarah Willows, 12 all of Georgetown, videotaped the broadcast at the Cable TV station on Acton's Main St. Their weather forecast was about as

accurate as some professionals' (snow in Hawaii?), a current sports report focused on a couple of would-be Olympic competitors, and a movie review of Gremlins saw the cast split on a verdict.

The two-week dramatic arts program was run by the Recreation and Parks Department.

The kids studied mime, puppetry, improvisation, dance and play-making in the course.

Four two-week programs are offered from July 3 to August 24 by the recreation department.

PUBLIC NOTICE PUBLIC WORKS DEPARTMENT

This notice is to advise water consumers in the Town of Acton that there is no problem in supplying water for the needs of consumers at the present time.

However, if a high demand is placed upon the water system due to unusually dry weather conditions during the summer months, this situation may change.

We would advise that you conserve water and prevent waste so that it will not be necessary to impose water restrictions.
