

J and T whippers Willowlane

Playing in game number one of the playoffs J and T Sports overcame Willowlane Natural Foods for a 22-19 win.

Chris Cullen and Duane Piper led the J and T attack with four runs each and David Clark also proved to be a heavy hitter in the game rounding the bases three times. Brett Petrillo notched two runs in the effort.

Coming up with big hits for the winning side was Billy Whalen who pounded out two homers and a single and Seth Homer

recorded one home run, a triple and a double. Paul Schick also deserved honorable mention for a double and single.

Desmond's tops Gordon Dawe

In Atom boys' soccer action this week Desmond's blew away Gordon Dawe 5-0 and Subo matched Holland Shop 2-2.

In the Desmond's / Gordon Dawe match-up Darrell Ford earned a well deserved shut-out with help from a strong defence of John Frazer, Daniel Bridge and Chris White.

Goal scorers were unavailable.

Subo took an early lead in their match with Holland Shop to end a winning drought that has plagued the team for most of the season. Gareth James was the hero for Subo pounding in both their goals and it looked like a win for the team until a penalty shot

was awarded to Holland Shop.

David Patey recorded the first Holland Shop marker and, on the penalty kick, Jason Higgins made no mistakes putting the ball past the goaltender for the tie.

Mosquito

David Henderson and Craig Stuckey each played an outstanding game for the victors notching a hat-trick each and Wayne Bousfield added a single marker to round out the tally.

Outdoors

by George Hoare

Dale Wood of Georgetown gave us an interesting day on Lake Ontario recently. His new boat is a treat to be on and safety is the order of the day.

The party consisted of Taxidermist Charlie Attard of Georgetown, Bill Thomas of Willow Green Marina at Red Bay, Harve Whitcroft of Red-Bay Outfitters. These two sportsmen came down to see how it's done on Lake Ontario. Red Bay is near Owen Sound and the address is RR 1 Mar, Ont. N0H 1X0. Many people in this area know these two sportsmen quite well.

Tangled Lines

During the day several big game fish were lost due to crossed up lines, bent hooks, and bent lures. Several

salmon were boated, though, and a nice lake trout, plus a 17 pound salmon saved the day as far as size was concerned.

Trophy Salmon

The picture enclosed though proves that Dale has landed some big ones since. Charlie Attard is telling me to hurry up and take the picture.

Feeding

The salmon are stuffing themselves with bait fish to keep fit prior to running the rivers to spawn, and the same applies to rainbow trout as well. The latter are getting bigger each year as the 19 pound fish caught recently will prove.

Enticers

Roe clusters, single eggs, various lures and streamers that resemble bait fish will be good for a tight-line in the river. Patience though is needed here to entice a strike as they don't gorge themselves when spawning.

Now the best of luck to everyone this week so—Enjoy the Outdoors.

Safe Journey, and Tight Lines.
