

Acton Mites eliminated in OASA Tournament

Competition was keen among five well-matched teams battling for the Ontario Amateur Softball Mite Championships last weekend, and when the dust finally settled on the Prospect Park diamonds, Bramalea was left holding top honors.

The Acton squad, despite putting forth a mighty effort, were eliminated from the double knock-out competition after succumbing to Niagara Falls 7-2 in game one and then dropping a 9-7 decision to Niagara in game six.

Acton also recorded one win against Burlington when they thumped their opponents 12-3.

Taking part in the tournament were teams from Acton, Bramalea, Burlington, Grantham and Niagara Falls.

Highlighting the competition for Acton with home runs were Brett Wilson, with a pair and Ken Jaffrey, Jeremy Cooney, Brad Hayter and Chris Hayter pounded out a single home run each.

Also of note was the excellent pitching by

Brad Hayter and reliever David Deforest.

Additional team efforts were supplied by Ryan Masales, Dwayne Sankey, Bryan Hobbski, Jason Dunn, Chad Rowell, Troy MacDougall, Wayne Wilson and Marg Wilson made up the coaching staff.

Results of the competition were: Niagara Falls over Acton 7-2 in game one, Bramalea dumped Burlington 11-6 in game two, Grantham downed Niagara Falls 7-4 in game three, Acton devastated Burlington

12-3 in game four, Bramalea clipped Grantham 4-3 in game five, Niagara eliminated Acton 9-7 in game six, Niagara claimed a finalist position in game seven after defeating Grantham 7-6 and then Bramalea edged Niagara 6-5 for the championship.

Tournament Directors Marilyn Dryden and Marg Wilson would like to extend special thanks to more than 40 volunteers who made the tournament a success.

Olympic hopeful Uranick fifth in Bahamas

Acton's Olympic hopeful, Doreen Uranick, returned this week from Junior international competitions in Bermuda a winner.

The 18-year old runner, who specializes in the 800-metre event, claimed fifth overall with a time of two minutes, 11 seconds, while team-mate Elise Braithwait of London, Ont., captured a gold medal with a time of two minutes, seven seconds.

Uranick remarked she was quite pleased with her overall finish but she expressed a little disappointment with her time in the event. Uranick has previously scorched the track in two minutes, six seconds, a full five seconds faster than her performance in the Bahamas.

However, Uranick noted, a slight cold and the high temperatures may have had something to do with her slower time.

The Bahamas competition will be Uranick's last with the Junior National team and she'll now be moving into senior competition. Uranick established her position on the Junior team earlier this summer after burning around the track in Edmonton for a second place finish in the qualifying meet.

For the next month Uranick said she will be taking a break from her rigorous training and then she'll start working toward her next competition.

Firestone ladies take playoff berth

The Acton Halton Hills Firestone Ladies' Fastball squad has made the playoffs for the first time since they joined their league.

While the ladies had a rather tough time against Georgetown last Tuesday, losing 6-3, they came back Wednesday to down Orangeville 10-6 and clinch their place in the playoffs.

The final standings after the 1984 season are Hillsburgh, first, Erin, second, Eden Mills, third and Acton, fourth.

In Tuesday's game the Acton gals had a tough time at bat and were unable to catch Georgetown.

Kelly Kennedy rounded the bases first on hits by Susan Wilson and Teresa Dunn. Firestone notched their second run in the fifth inning when Sandra Brundle crossed

the plate after a hit by Sally Briggs.

The final Acton tally came from Kelly Kennedy who pounded the ball out of the park for a home run.

On Wednesday Acton's hitting power returned after a slow start when the local squad cracked out two runs in the fourth frame and four runs in the fifth inning. Three more runs were added in the sixth inning and rounding out the score was a final run in the seventh inning.

Two good doubles were earned by Patty McClure and singles by Marion Case, Tracey Clarke, Teresa Dunn, Sandra Brundle and Susan Wilson aided the cause as well.

Excellent pitching was supplied by Clare Herrmann.

BOATING TIPS FOR SAFE BOATING

NO. 8 OF A SERIES

SMALL BOATS ALWAYS HAVE RIGHT OF WAY OVER LARGER VESSELS?

a. True b. False

Answer: b. False. Under the regulations, boats less than 20' long, as well as all sailing vessels, must not get in the way of larger vessels in a narrow channel. Large vessels are harder to manoeuvre and take longer to stop. Furthermore, a small boat may not even be seen. So use common sense here.

For further information call The Georgetown Power Squadron at 877-6034.
