

# Fall Fair another rousing success

Continued from page A1

The large number of participants added to the success. Eighteen girls vied for Miss Acton Fair, 84 babies were on hand for the always popular Baby Show, many local floats and bands marched through town in the giant parade and 14 All-Terrain Vehicles showed up for the first ever ATV pull.

Sunday's tractor and 4 x 4 truck pull were both runaway successes with 65 antique and out-of-field tractors and 15 4 x 4 trucks lining the pavement waiting for a chance to compete.

The Acton Firefighters were awarded the

Challenge of the Stars \$100 cash prize for the charity of their choice after successfully winning the local obstacle challenge.

An excellent showing in the hall saw crafts, hobbies and flowers entries heavy while preserves seemed to be down slightly, according to secretary-treasurer John Rowe.

The second and third Acton Scouts took first place in the parade float competition. Second place went to the Acton Figure Skating Club and third place was awarded to the Acton Agricultural Society Ladies Board float.

It was a weekend of action-packed activity for the thousands of fair goers with results which make it all worth while for the many dedicated but exhausted fair board volunteers.

Surveying the success of the first Fall Fair whose preparations he supervised, president Norm Shea said he's "very impressed and very pleased" with the three-day extravaganza and grateful for the co-operation of his Fair Board colleagues.

Among the highlights, he said, was the success of the Heavy Horse show, newly-moved from Saturday to Friday. While spectator attendance was down somewhat, the number of entries made up in kind, he commented.

The Board is already making plans for the '85 Fair, Shea said, including several changes that promise to make the show that much more enjoyable. He added that exhibitors began calling him as soon as the

Fair was over with requests for space at next year's event.

Shea said he's particularly pleased with the Junior Committee, which ran both the All-Terrain Vehicle competition and the Bird Dance.

"They're going to be the Fair Board of tomorrow," he said.

Quick off the mark, new Miss Acton Fall Fair Linda Thomson helped Acton Rotarians award a whole beef to a lucky winner by drawing ticket number 2366 Sunday afternoon. No longer asking "where's the beef?" is Paul Kisby of Brampton.
