**STAY AHEAD...**  
of Changing Driving Conditions

Now's the time to get ready for cooler Fall weather. After a lot of summer miles and before winter arrives, your vehicle deserves our GM Dealer Stay-Ahead Tune-up.

Here's what we'll do to help you keep a good thing going great this fall:

1. Thermo-controlled air cleaner check.
2. Carburetor ch. ke inspection.
3. Engine idle speed adjustment.
4. Early fuel evaporation system check.
5. Carburetor or throttle body mounting torque check.
6. Vacuum advance system check.
7. Fuel filter replacement.

8. Electrical system check, including starting and charging.
  9. Idle stop solenoid and/or dashpot check.
  10. Spark plug replacement (if necessary).
  11. Engine timing adjustment and distributor check.
  12. PCV valve and filter elements replacement.
  13. Evaporation control system check and filter replacement.
  14. Fuel cap, tank and lines check.
  15. Compression test.
