

TREATS IN STORE

The sun disappeared behind clouds, but guests were still beaming when they sat down to supper at Churchill Community Church's fifth annual chicken barbecue Saturday. Organizers like Barb Crawford (left), Linda Denny and Terry Souliere, seen here with daughter Laurel, prepared baked potatoes, cole slaw, buttered rolls and even chocolate cake to go along with the delicious chicken barbecued outside the church. Another big turn-out helped raise money for Sunday School and other church activities.

Church welcomes pastoral assistant

The congregation of Churchill Community Church welcome their new pastoral assistant, Graeme Dondale is attending McMaster Divinity College in Hamilton. Originally from Ottawa, he attended school at Dordt College in Sioux Centre, Iowa where he earned his B.A. The Annual Chicken Barbecue Saturday was well-attended. Committee members thank those who helped in various ways to make this event so successful. Our thoughts are with Joanne Turner and Wallace Swackhamer, who are in hospital in Guelph. Rev. E. Jenkins, Vera Denny, Joanne Turner, Mr. and Mrs. Pat Waldie and four others from Toronto have returned from a 19-day holiday abroad. They toured England, Scotland and Wales in a van and also saw the sites in Paris, France. The Waldie's made a special trip to Dieppe. The monthly meetings of the C.C.C. Women resumed Sept. 11 at the home of Lydia Kerr. Following devotions, several business items were discussed. Reports were given by the Treasurer and previous minutes were read by the Secretary. A delicious luncheon was served by the hostess. Communion Service will take place Oct. 7. A congregational breakfast will be served prior to this service and all are invited to attend.

Three churches join for Eden Mills anniversary

Next Sunday the three churches join Eden Mills in observing their anniversary. There will be no service at Ebenezer. Rev. Wigston spoke on the parable of the workers who were paid the same amount for different amounts of work. The first shall be last and the last shall be first. This runs counter to what we believe. This story is found only in Matthew. The master does the first workers no wrong. They are envious. Comparing ourselves to others does not have to be bad. If we have faith, we can grow in a rich and full life. We are intrinsically of value, because we are God's children. Betty Galloway was the convener of the U.C.W. meeting. Plans were discussed for the upcoming beef dinner. Sadie Moore and Marion Diamond served lunch. Judy Kitching was courtesy convener.

4-Hers check out Fitness Fare

By DORIS FINES

Margaret Goring and Janice Maginess attended 4-H training school Tuesday at Trinity United Church in Guelph. The project coming up this fall is "Fitness Fare," which basically covers food and exercises geared to the teenager, teaching how to eat properly to be fit. The first meeting was held Monday at Mimosa Church.

Mr. and Mrs. Ross Ferguson visited with their uncle and aunt, Mr. and Mrs. Wm. H.

Russell, at Detroit, Michigan, bringing them back with them for a week's holiday.

School has settled into its normal routine with nine new pupils plus the Grade 1 students who came from Brisbane kindergarten. There are two new teachers, Marian Brooks who teaches remedial five mornings a week, and Bob Crouch who teaches music two afternoons a week.

The cheese drive has begun at Osprige school. It is sold in two and a half-pound

packages. Order forms are available at the school.

Mrs. Hopkins, former Grade 1-2 teacher, has been back to supply teaching at the school, and also to assist with the hot dogs.

The Cargill family said they had an interesting summer. Vicky went to Teen Ranch in Caledon for a week in July and Tara had an appendix operation when she spent a few days in Milton hospital in August.

In between this, Mrs. Cargill and the two girls visited with her parents Mr. and Mrs. Southcott in Kingston, and went to see the Tall Ships.

Mr. and Mrs. William Cargill, Vicky and Tara also vacationed at Gooderham in Haliburton, and Bill, in partnership with Brian Prescott, won the horseshoe tournament.

Mr. and Mrs. Bruce Smith, Brent and Kyle, went camping for two weeks the end of August. They went to Peterborough, Kingston, and Morrisburgh to Upper Canada Village, and also enjoyed a boat trip around the Thousand Islands. Anne is teaching Grades 2 and 3 this year at Osprige.

Mr. and Mrs. Max Schotsch, Heidi and Michael, had beautiful weather this summer when they sailed up the Trent Waterway as far as Georgian Bay. They spent three weeks cruising around. The weather wasn't so pleasant last weekend when they motored to Burk's Falls and took in the fall fair there.

Marian Grundy and her sister Helen Clarkson went on a bus tour to Livingston Manor, New York, for five days.

Greenock W.I. retraces history of Farmers Club

The Sept. meeting was held in the evening of Sept. 11 at the home of Miss A. Pearen with 16 members attending.

The meeting opened with the Institute Ode and Mary Stewart Collect.

Mrs. C. Allen gave meditations. Business was discussed which included plans for the area convention and plowing match.

The program was in charge of the Tweedsmuir committee with Mrs. G. Wallace the curator. The program opened with the singing of "The Maple Leaf Forever."

Miss Pearen gave a history on the Red Cross activities in Greenock Community.

This dated back to World War II.

Mrs. Wallace had the history of the Farmers Club of the Greenock Community which was active from 1917 through 1922. In both the Farmers Club and the Red Cross, use was made of Greenock public school for meetings.

Mrs. C. Allen had recollections of the beef ring that was in operation when she was a child. She had more vivid memory because her father was the butcher for the Greenock Community beef ring.

The program closed with a musical quiz with our Pianist Mrs. G. Pridmore at the piano. The contest was won by Mrs. R. McKewon. The meeting closed with lunch.
