Chargers claim boys crown

The school sports season got off to a flying start last week as teams from six area public schools competed for honors in the annual North Halton 3-Pitch Championships.

When the dust cleared the host Georgetown schools emerged victorious with the Stewarttown Girls claiming their first title since 1971 while Centennial boys' squad finished the competition undefeated. Other schools looking for titles included W.I. Dick and Sam Sharatt of Milton, McKenzie-Smith of Acton and Brookville.

In the girls' competition Stewarttown met little competition finishing first in their round robin division after defeating W.I. Dick 30-4 and Brookville 20-11. In the semi-finals McKenzie-Smith of Acton were no match. McKenzie-Smith finished second to Centennial in their pool but fell 45-5 to Stewarttown.

Centennial provided the competition for Stewarttown in the final, falling 33-9. To get there they disposed of McKenzie-Smith 21-4 and Sharatt 36-11, then topped Brookville 37-5 in the semis.

Centennial's boys proved too tough for the competition, downing a tough Brookville side, 15-6, for the title.

Centennial topped their pool with a 2-0 record. They topped McKenzie-Smith 23-5 and Sharatt 19-7 to advance to the semi-final where they ousted W.I. Dick 17-7.

Brookville reached the finals undefeated but with much closer scores. The rural squad topped W.I. Dick 6-3 in their opening game then advanced to the semi's with a 9-6 win over Stewarttown. In semi-final action Brookville handled McKenzie-Smith 16-5.

Teams from six North Halton public schools, including McKenzie-Smith competed for Slow Pitch honors in Georgetown last week. Here McKenzie-Smith's catcher tries to tag a Stewarttown runner at the plate. Stewarttown topped the Acton School and event on to win the girls crown.

Tennis sidelines

by Vic Morris
Last Sunday afternoon turned out to be cloudy and threatening but the weather did not dampen the spirits of a large throng of tennis buffs who turned up to enjoy the Acton Tennis Club's final bash of a great season.

Club President Chris Steen and helpers organized a social round robin which included both junior and senior players.

Time out was taken mid-way through the proceedings to present trophies to winners of the various club tournaments which were held throughout the season.

A special presentation was made to long time club member Eldon Comfort,

our spiritedly senior citizen who appears to be getting younger every season. He can still beat the best of them and will be leaving the area shortly.

A hot dog barbecue rounded off the afternoon.

The final meeting between the Acton and Erin Inter-rural teams took place on Sept. 18 to decide the league championship.

This was the second of two meetings in a total points playoff and although Erin won the second fixture by 70 games to 62, the local boys and girls won on total points thanks to the large margin in their first round win.
