# Church corn roast

by Winifred Smith

There will be a dedication service Sunday morning in Ballinafad United Church for the new stained glass window, given by the Madill family in memory of the late Morgan Madill who passed away last year. At 7 p.m. on Sunday, September 30 everyone is invited to the Ballinafad Church to hear the Alderwood Choir from Toronto.

On Friday evening, September 21, the congregations from St. Andrew's in Georgetown and Ballinafad joined together for their annual corn roast. It was held in the Ballinafad Community Centre. When the feast of corn was over, Terry Champ and Ron Lovegrove from Georgetown and the McEnerys from Ballinafad provided music for dancing. A friendly social time was enjoyed.

The UCW held their September meeting in the church basement on Tuesday of last week. Barbara Munro, president, welcomed all. Martha Lewis gave the devotions.

When the business at hand was dealt with, guest speaker, Mrs. Kay Ford, president of Dufferin and Peel Presbyterial, was introduced. Her topic was "Helping Others". A social time followed.
