Limehouse

Marilyn Belleghem's talk eye-opener

by Mary Booth
The October meeting of Limehouse W.I. was productive. The business portion consisted of making plans for a hall house cleaning bee and the next euchre party. Arrangements were also made for Mrs. Jean Kirkwood to attend the area fall conference in Brussels, volunteers to attend a fun night in Palmerston and a tea at the home of Mrs. Peggy Knapp. The latter two events were opportunities to meet

with a group of W.I. members from England currently visiting Ontario. Members were also informed of the arrangements for the Federated Women's Institute of Canada arrangements to be held in London, Ontario in June 1985. Those who plan to attend should register soon. Highlight of the meeting was a talk by Mrs. Marilyn Belleghem of Georgetown, a counsellor in family, career, individual and marital problems. Her talk was a stunning

eye-opener regarding the burdens being carried by abused family members, their secret terror, why many continue to suffer, how the effects damage persons emotionally all their lives, and the great need for counselling. Her office is on Church St., Georgetown.
The next meeting of Limehouse W.I. is in the W.I. hall on Nov. 1 and members anticipate a visit from district president Mrs. Lasby. The euchre party is October 18 at 8 p.m.
