Girls chasing the guys

Holmes plate

By MARK HOLMES

Watch out for those girls. Both the Senior and Junior AHS girls' basketball squads are hot this year, with an unbeaten record for the Seniors' still holding and a respectable five-win, no-loss tally for the Juniors.
In tournament play the two teams are just as strong breaking all the old school records and, claiming tournament honors in Collingwood and at home, the girls are seemingly unstoppable.
While the Redmen are only a high school team they are displaying the drive and skill rarely seen even on the professional courts.
Even though the season isn't over they certainly deserve a lot of credit for their

accomplishments and best wishes for continued success.
An interesting point was brought up on an educational program on television last week that pointed out women are fast approaching equal status with men in sports.
The program recognized that women aren't as fast or as strong as men but, considering that women haven't participated in the traditionally male sports until the last few years, they have a lot of catching up to do.
With better and better training methods women have rapidly narrowed the gap between male and female track records.
In comparing male achievements on the track in the past few years with female records the women have actually improved more in the last few years than the men.
Getting worried guys?
Who knows, maybe in the next few years there won't be separate events for men and women.

Beardmore bowling

There were no changes in the Beardmore Bowling league standings this week as the Welters maintained a one-point lead for first and the Rollers and Shippers continued to hold second and third.
The Buffers remain in fourth, the Tanners are still in fifth and the Stakers are holding down sixth.
Brenda Hillier captured the ladies' top single and triple for the second week in a row tossing a respectable 337 single and a 703 triple.
Bill Cripps pinned down a 286 for the men's high triple this week and Dee Deforest bowled a 760 for the high triple.
Other top men's singles came from Dee Deforest who pegged 278, 201 and 221 scores.

Cecil Stuckless with 259 and 236, Ben Rody notched 248 and 211, Chad Crooks bowled 239, 235 and 223 and Jack Stuckless recorded a 233.
Bill Cripps chalked up a 747 triple for the men while Chad Crooks, Cecil Stuckless, Richard Cripps and Jim Gibson tallied 696, 676, 639 and 630 respectively.
