### Trip to Yukon described to W.I.

The W.I. met for their November meeting at the home of Winnie Smith. There were 13 members and one visitor present.

Marg Jamieson opened the meeting with an appropriate story dealing with War. The roll call was to name an impossible dream one might have.

First item to be discussed was the Area Convention, which was recently held. The delegates, Helga Schwarz and Ada Kirkwood gave detailed events of what went on there for the two days. There was much to talk about as the national convention is to be in London, Ontario in the Summer of 1985.

Lille Given, as convener of "Education and Cultural Activities" took over the meeting and called on two minute reports from conveners. Winnie Smith gave current events, after which Ada Kirkwood gave the motto, "You are not too old to Learn, if You are not too Stubborn to try." Lille Given spent the remaining of the program time, telling of the trip she and Tom took to the Yukon Territory in the spring.

The president then took the chair again and dealt with a few other items. The Christmas meeting at Mrs. Koperdraad's is to be December 4th, the first Tuesday instead of Wednesday, Dec. 5. Alma Sinclair and Betty Koperdraad served ice cream and cake, with the assistance of the hostess.

Those interested in taking the rug braiding course should be on hand for the first meeting. It will be at the Community Centre on Thursday, November 22 at 7.30.

For more details get in touch with Reggie Slessoratis or Edna Shortill.

We were sorry to hear of the death this weekend of a former resident. We know her as Mrs. Alvin Sterritt formerly of the Eighth Line. After Mr. Sterritt's death she married again and lived in the States for many years. On his death, she moved back to make her home with her son and daughter-in-law at the farm near Glen Williams. We extend sympathy to the bereaved family.

There was a special Armistice service at the church on Sunday. Martha Lewis, read the poem, "In Flanders Field" to the children and what war meant to family life. The choir sang an appropriate anthem. The talk by Dr. Bandy brought our thoughts back to the two world wars some of us lived through.

We are happy that one of our residents has been selected among those who are to receive Bicentennial medals. Joyce Clark has done years of volunteer work for the Red Cross, dedicated much of her time to home nursing.

The Friendship Club had a bowling tournament on Friday night of last week, after they went to the home of Martha and Martin Lewis for supper.

Winifred Smith was the guest of honor at a surprise party as she celebrated a birthday on Saturday. Members of her family including grandchildren and great-grandchildren numbering around 25, attended the party.
