

Marvin Ella of Hornby, and a Guernsey heifer share a few moments before entering the Pot O' Gold Sale ring. Ella was one of seven Ontario youths chosen to show 24 Guernsey Dairy Cattle from Ontario at the North American International Livestock Exposition in Louisville, Kentucky. The world's finest purebred livestock in Louisville, Kentucky.

Rock Ella Jerseys U.S. winners

Jerseys from Canada racked up an amazing string of successes at the All American Open and Junior Shows held in Louisville, Kentucky earlier this month. Rock Ella Jersey Farm Ltd. of Hornby was among the winners.

In a strong 274-head junior show Canadian entries captured the Grand Champion Female and Reserve Junior Champion Female awards. As well, a contingent of young Jersey enthusiasts from Ontario captured a first place finish in the important State Herd class in the Junior Show.

In the largest-ever edition of a special Jersey Jug Futurity Class, a Canadian entry finished a strong fourth. Rock Ella Starfire Amelia, from Rock Ella Jersey Farm Ltd., Hornby, Ontario, also received recognition as the highest placing animal owned by a junior exhibitor (Marvin Ella) in this fifty-four head class.

Females from Canada captured many of the major awards in the All American Open

show, in which 456 head were exhibited.

In a 41-head Senior Two Year Old class, Canadian entries finished first, second and third.

First place went to Avonlea Valiant Kitty, bred and owned by Featherstone Bros. of Oakville, Ontario. Two days earlier Kitty had been Grand Champion of the All American Junior Show for Jennifer Livock. The second place finisher in this class was Rock Ella Beauty of M Gem, bred and exhibited by Rock Ella Jersey Farm Ltd.

To finish this strong showing, Ontario placed second to Texas in the State Herd class.

An interesting sidelight to these Canadian victories was that numerous cattle bred in Canada placed in the top ten in their classes for their American owners.

Rock Ella Jersey also did well at the Royal Winter Fair winning in the Set of Sire class, Premier Breeder and second in Premier Exhibitor.
