

## Juveniles Test Strength Meet Merchants in Tilt

There will be Georgetown Junior Beaumont used to be teammates with the Intermediate Raiders and it adds up to a lot more than a "nothing game".

### HUSKIES BITE RAIDERS 8-0 LUCAN NEXT

Both clubs are in first place in their respective leagues and both will have something at stake when they meet. A defeat at the hands of a juvenile club would mean deflated confidence for the lofty Merchants while Georgetown Juveniles are loathe to spoil their undefeated record, even in exhibition play.

Georgetown Raiders outplayed and outshot Durham Huskies in Georgetown Memorial Arena Sunday afternoon, but still managed to lose 8-0.

Huskies are in second place and Raiders are fourth in the OHA Intermediate B Central League.

#### ADDED MOTIVE

Jerry Nash, Frank King, and goalie Doug Unsworth of the Merchants, all Georgetowners wearing Milton colours will have an added motive to give it 110 per cent when they play in front of the local crowd.

Add to that the fact that Milton and Georgetown have always been sports rivals, the fact that Milton coach Joe Auger and Georgetown coach

## Come From Behind Glen Takes Norval

It's tough enough to beat Norval under the best of conditions, but to shake off a 3-1 deficit and go on to take a 5-3 victory from the league leader is like slaying a fire-breathing dragon with a plastic sword — very unlikely.

Glen Williams did it Sunday morning in the second of two Georgetown Industrial Hockey League games which turned into upsets.

The other meeting saw tail end North Halton Ford steal some cream from R & B Milk Centre by downing them 4-3 with a pair of last period goals.

#### REBELLION

Norval was firmly in the driver's seat leading 3-1 going into the middle period when the Glen started their rebellion. Haines led it with a goal in the second frame followed by two more in the third. March and scored the Glen's insurance goal.

Their first period goal came from Cooper. Haines earned his first of four points setting that one up with Graham. Bob Webster (2), Quamby, March and Brown also drew assists.

Fred Harrison scored two and Bradley one of the Norval goals. Bennett had two assists while Brush and Foxworthy had one apiece.

#### DOMINATED

The North Halton - Milkmen contest was decided in the second period when the Ford's outscored R & B two goals in one. Milkmen had a 2-0 edge in the first frame and North Halton dominated the last period by the same margin.

Morrow, D. Cunningham, Miller and Henderson did the North Halton sniping. D. Cunningham, Miller and Henderson each picked up a pair of assists, and McFarlane got one. Gregory was a two goal man for the losers. Goddard got the other goal and Tyler, Haines, Collis, and Boudreau assisted.

#### NINE WINS

The outcomes left Norval still in first place with 10 points on nine wins, two losses and a tie; Glen Williams second with 13 points on six wins, five losses and a tie; R & B third with 9 points on four wins, seven losses and a tie; and North Halton just two points back now with three wins, eight defeats and a tie.

This Sunday, R & B Milk Centre take a shot at Norval in the opener, and North Halton runs up against the Glen in game two.

During the past 20 years Caruso has been with both the OLA and CLA in various executive capacities.

## LET'S PLAY BRIDGE

BY BILL COATS

The duplicate players' life is ruled by overtricks. He must try to make more tricks than others who play the same cards, even though it may risk the contract that he is in.

Here is an example of how this happens, taken from last week's holiday game at the Acton Bridge Club.

East dealt with North-South vulnerable.

NORTH  
S—J 9 2  
H—A 5  
D—K 10 4 3  
C—Q 6 5 3

EAST  
S—Void  
H—K 10 8 6 4  
D—Q 8 7 5 2  
C—9 4 2

WEST  
S—A 8 6 3  
H—J 9 7 2  
D—10  
C—K 10 9 8

SOUTH  
S—K Q 10 7 5 4  
H—Q 3  
D—A J 7  
C—A 7

The bidding:  
EAST SOUTH WEST NORTH  
Pass 1S 2C 2NT  
Pass 4S All Pass

Opening lead 10 of diamonds. West's overall may seem atrocious to many but he did not feel like selling out to his vulnerable opponents. North could double the two club bid but again being vulnerable could make enough points Go's to offset a vulnerable game. Once North shows a good hand, South proceeds directly to High Score: S. Broadbent 140.

The opening lead is ducked, the void in the East hand as he signals with the heart eight. At this point, declarer is sure that East has the heart-king and West wins the second trump and in response to his partners signal leads a heart.

Declarer wins in dummy and proceeds to lead out all his trump. When West discards two hearts and East lets go one diamond and three clubs and a couple of hearts.

The club ace forces East to discard another red card. At this point, declarer could take the ace and king of diamonds and claim the contract. A duplicate player should watch East's

## Polar Bear Trails is Mecca for Snowmobiles

Snowmobiles are now skimming over the snow on the 120 acre property known as the "old Herb Reid farm" on the 7th Line just south of Stewarttown.

The farm house, now billed as an igloo, is heated and features hot chocolate, coffee and hot dogs, served in the kitchen or dining room.

Weekends, the busy time, people come from all over, but mainly Toronto and Burlington with or without snowmobiles, since the fun machines are available for rent.

The Georgetown Jaycees are planning a big race on the property February 21.

Whizzing over the white stuff at Polar Bear Snow Trails are Mr. and Mrs. Forbes Black.

Mr. and Mrs. Stan Gott find their fun at the snowmobilers' playground on the 7th Line of Esquesing.
