Invites Musicians To Join Brampton Band

31 Byron Street.

Dear Mr. Editor:

In the interests of all those people in your area who are interested in good music and participation in it, I would ask your aid in this direction by publishing the following report.

The annual band meeting of the Brampton Citizens Band was held in Brampton on December 23rd, 1969, with 21 members present.

Officers elected for 1970 were: President: Wm. Walker; Vice President: J. Calvert; Secretary: Donna Thornton; Treasurer: Al Hinton. The band committee consists of: C. Kester, J. Harnsworth, J. Satterfield, Ed Peters and C. Keel.

Conductor of this band is the well known and very able bandmaster Captain Wm. T. Atkins, an outstanding product of Kneller Hall in England and formerly with the Queen's Own Rifles band of Toronto.

There are several openings in sections of the band at present and anyone seriously interested in his or her musical education and progress will be welcome to come and participate in all the band functions.

Instruments will be made available free to those who do not have their own and tuition on the instruments will be available apart from bandroom instruction.

At present there are about 25 juniors studying under capable teachers connected here with the band and others are invited to join so that they may acquire a knowledge and love for music which will be a great asset to them all throughout their lives.

At the present time, rehearsals are held every Tuesday evening in the Town Hall building just south of the four corners in Brampton on the east side of Hwy. 10.

Please accept this as an invitation to all music lovers to avail themselves of a musical education. Please contact any of the officers listed above for further details.

Yours truly,
ED A. PETERS
