BALLINAFAD

Plan Further Improvements For 'Fad's Community Hall

The annual meeting of the Community Centre was held Thursday night the 22nd of January at the home of Ernie McEnery. The same officers were elected for another term, with the exception of Reg French. He was replaced by Mrs. Tom Given. Carl Volmar is chairman and Mrs. Irene McEnery secretary treasurer. The board members are to be congratulated on the success of the past year as the books showed a bank balance. Some improvements have been made in the basement with built-in cupboards for the kitchen and the addition of a new stove. A sink is badly needed and it is the hope of the board that one can be installed in the near future.

We extend sympathy to Mrs. Annie Vannatter and Mrs. Comfort Roszel of Georgetown in the loss of their sister Mrs. Mary Hollenback of Edmonton. Mrs. Hollenback was well known in Ballinafad as she was the daughter of Rev. Waddell who preached in Ballinafad Church for a number of years.

The EB-HO riding club met in the Community Centre on Saturday night for their annual meeting and the election of officers for the 1970-71 season. They are president D. McDougall, Erin; 1st vice, Wm. Edge Caledon; secretary Francis Smith, Erin; treasurer, Fay Wellington, Hillsburgh; directors, Bryn Robertson, Hillsburgh; Howard Hamilton Georgetown; Russ Sears Erin; Pick Gregory, Toronto; Donna Hamilton, Georgetown.

Jim Corbell, who is the immediate past president and one of the organizers of the club is to be congratulated on the fine job he has done these past two years in getting the club off to a fine start. He has given a great deal of time and has worked hard and will continue to do so for the good of the club.

Tickets had previously been sold for a draw and the lucky winner was Doreen McDougall of Erin. Refreshments were served by the committee in charge and a social time followed.

Myrna Jane Snow, daughter of Mr. and Mrs. Bud Snow cel.

Disagrees, Wants Terra Cotta Roads Improved

Terra Cotta, Ont.

Dear Sir: May I ask one question? How many of the Save Terra Cotta from terrible so-called destruction by putting a decent highway through here have lived here more than five or ten years. I am one of the many in the village that have lived here for 38 years and have been waiting for the last 15 for a decent safe road to drive on. On a busy weekend I have seen it take half an hour to drive half a mile to the general store. Cars parked on the road in front of the Terra Cotta Inn never seem to realize what No Parking signs mean, yet let me go into the city and park by one and see what happens.

In a petition that was taken up in the latter part of 1969, a so-called 300 signed this. Again may I ask, how many people from Terra Cotta signed this? Why should people from all over Ontario tell us what should happen to this road when they might only travel it once or twice a year, and when they do especially on a weekend turn it into a hazardous stretch of road.

The Forge that some people are trying to conserve would look much better with the highway going right through the middle of it.

If people from the city are trying to conserve the so-called beautiful country side then let them do so by staying in the city and building their homes instead of cluttering them all over the country. There are shacks like the Forge and hundreds of them for people to see lying empty that homesteaders left between Cochrane and Hearst in the north country.

In closing this letter I say to you the Terra Cotta Preservation Committee, not everybody in Terra Cotta, is opposed to this new road.

Without Prejudice,

— T. R. ZILIO

MINOR HOCKEY WEEK

The ENTIRE community benefits from minor hockey. The whole community should help celebrate Minor Hockey Week. Attend at least once this week. Visit the arena and watch our boys learning the FJN-dame, tals of Canada's National Sport.

At the annual meeting held in Ballinafad United Church on Monday evening Jan. 19 reports given showed all concerned had an active year and all undertakings had been successful. Last year's officers were installed for another term.
