# EDITORIAL COMMENT

# Half a Century of Service

Though the Kinsmen Club of Georgetown has hadonly a brief 13 years of exsistence, it could almost quality for the half century which it is celebrating with other : Canadian clubs.

So active has been this group of gogetters in a short baker's dozen years, one could believe that it had been here much :longer.

Perhaps its most outstanding achievement is in sparking the senior citizens apartments, well on the way to completion on Hyde Park Drive. It was a Kin-conceived Idea, and the club acquired land and did much of the preparatory work, before it was taken over by a senior department of government. Future residents of these fine new homes will be strong boosters for the Kinsmen.

The international bantam hockey tournament, an original project of a private group headed by 'Red' Asseltine, received much assistance from club members, and when Mr. Asseltine decided to retire from the job a few years ago, it became a Kin project.

The club operate girls' softball league each summer. It created an attractive parkette on Edward Street as a neighbourhood playground. And its members, with the Kinettes, are an integral part of a Christmas welfare project which assists many needy families in the district.

Kinsmen and Kinettes have proved their worth many times over in these thirteen years. We salute them, acknowledging their value to the community they serve.

# A Sport Spectacular

Georgetown plays hosts to the nine top Legion curling teams this week, as rinks arrive on Wednesday to compete for prov-Incial honours.

Extensive preparations have been made by Col. G. B. S. Cousens branch to entertain the visitors. And we expect North Halton Curling Club will be filled with spectators to watch the teams seek the Ontario championship and a chance at the Dominion

The visit came about when Harv Chap--pel's rink copped the cham; thip last year. As with other Legion sports events, the winning club is host the following year

Unfortunately Chappel did not have the same success this year, and was eliminated before reaching the finals, so there will be no local touch to the games.

Curling has become one of Canada's most popular sports in the past decade, and Says Petitioners there is much interest in the matches here. We hope our visitors enjoy their stay in town, and that, win or lose, they will go home with warm memories of Georgetown's hospitality.

# Sunday Fair Worth Considering

Extension of Georgetown's fail fair to Include Sunday Is an interesting possibility which directors of the agricultural society discussed at their annual meeting.

Proximity to three major cities, and a large urban population, could make Georgetown Ideal to experiment with a new idea which few small towns have tried.

The day could bring a large influx of city dwellers to absorb a rural atmosphere.

If the idea were adopted, it would take even more attractions for the grandstand viewers.

There are no plans at pres-

From the Heralds of 10, 20 and 30 Years Ago

#### 1960

- A Georgetown man died Saturday when his car was struck by a westbound CPR passenger train at a level crossing near Hornby. Mr. Aubin was driving to work In Burlington where he was employed at a restaurant as a chef.
- A rare honour was bestowed on Diane McColgan, daughter of Mr. and Mrs. T. McColgan last Friday night, when Mrs. W. A. Filer, Hamilton Area Commissioner, awarded her the Badge of Fortitude for her cheerfulness and determination throughout a prolonged illness. Mrs. Filer led Diane through an arch of colours up to the stage in an impressive ceremony. Rev. K. Richardson, praised Diane's attitude and Mrs. E. C. Reed, divisional commissioner, presented her with a horseshoe shaped cake with Good Guiding written on top.

 Many friends from Georgetown attended a piano recital last Friday in the Heliconian Hall, Toronto, by Miss Margaret Bradley, daughter of Mr. and Mrs. William F. Bradley of town. It was an official debut as a concert pianist of this talented young lady who has been studying concert work for several years, of late under the tuition of B. Hayunga Carmen.
