

PROVINCIAL CURLERS HERE FOR LEGION TOURNAMENT

by Ralph Hawes

This week all eyes are turned to Branch 120, the Branch which is hosting the Provincial Curling this year.

The Branch Curling Committee and representatives from Lobatts, Peter Charman and Bob Brewer have been working on this since Nov. With ideas and plans and between the two organizations the structure of a well thought out program has been completed.

The die is cast and the results of the efforts of numerous people will be known within a week of this writing.

ONE OF BIGGEST

Some members feel that perhaps the programming could be too audacious in an undertaking such as this.

In such a project which is perhaps one of the biggest, since the nation Veterans' Week, the Branch has undertaken, boldness is a must. There is no room for the faint heart.

The Opening Ceremony on Wednesday which will involve colour parties the Branch pipe band, and opening speeches by the powers that be, will be long remembered by those who are fortunate enough to witness it.

MILES OF ICE

From Thursday morning until Sunday rocks will travel over miles of ice the winning rink will have earned the hard way the honours bestowed upon them.

We have been acting as PRO for this project, and we have felt inadequate in our knowledge. The Summit has been rushed through a week ahead of time, and should be with members now.

Radical Car Club members will be called on Wednesday to become full time drivers for our visiting curlers. We are positive they will perform their chore to everyone's satisfaction.

House chairman L. Boyd has been busy giving the interior of the Branch a face lifting.

Now we wait and see the result of work performed by the few.

PEEWEEES ARE CHAMPS MEET BARRIE NEXT

Georgetown PeeWees brought Georgetown their third Tri-Country double A championship last week when they defeated Bramalea 3-0 to capture the title in three games.

Outstanding goaltending by Gerald Williams spoiled Bramalea's best chances, in the Thursday night windup.

Dale Mieczanick clicked for two goals while Blake Shortill netted the third with the team playing shorthanded.

DO-OR-DIE

Each team had one win to its credit going into the do-or-die game Thursday.

Georgetown produced a great team effort indicating they want to go on and take a shot at provincial OMHA honours.

First OMHA competition will come from Barrie PeeWees with the series expected to start Thursday, Feb. 19.

At the Zone Cribbage on Saturday Branch 120 was not only host, but also secured a spot in the District Competition. Roy Wiggins, Bob Waltes, Albert Porter and Tom Harlow were the team from 120 that move up.

As always Dave Bowman was there with his helpers in the kitchen cooking roast beef etc for the many visiting crib players.

Closely Matched, Bants Lose Finals by One Goal

Chinguacousy won Tri-Country Bantam Hockey League's championship Sunday edging Georgetown 4-3 to take the series two games to one with one game tied.

Georgetown won the first game of the series 0-2, the second was tied 5-5, and Chinguacousy won the third game 5-1.

SCREENED SLAPSHOT

Georgetown opened the scoring Sunday when Barry James

intercepted a clearing pass and picked an open corner, early in the first period. Larry Gay tied it up after about five minutes of play when a shot from about 15 feet out hit the top of the Georgetown net.

Georgetown was shorthanded when Chinguacousy took the lead. Mike Noble slid the puck back to the point where Martin Lake let a screened slapshot go.

The locals tied the game in the second period on Barry

James' second goal on a power play.

REBOUND

It stayed tied until the third period was half over. Terry Wright scored Chinguacousy's third goal by sweeping a rebound into the unguarded net. But Georgetown roared back less than a minute later to make it 3-3, Jim Davies scoring on a backhand with aid from Gary McFadyen.

The winning goal was scored after Tomkinson stopped a Chinguacousy breakaway. Donovan had his clear cut chance foiled by the Georgetown goalie, but Paul Hames had better luck with the rebound.
