

# Trenton Rink Captures Trophy Teevees and Trip to National

Colour party on the ice at North Halton Curling Club during opening ceremonies last Wednesday evening.

Presentation of the trophy to Earl Jesse's Trenton rink

by Harvey Chappel  
**THE HOST BRANCH FOR THE TOURNAMENT — Lt. COL. G. S. B. COUSENS, BRANCH 120**

The playdowns at the Provincial level, consist of a round-robin series, 8 games in all, each ten ends, played 3 on Thursday, 3 on Friday, 2 on Saturday and final game Sunday morning. Each of the nine participating teams had one bye. After two days curling, each team had lost at least one game making it a neck and neck race.

After Saturday's first game in the morning, Trenton and Highland Creek were leading with one loss each. However, after the second game on Saturday, Corunna proved to be the giant killers with a win over Highland Creek, to bring their losses to two, and put Trenton in the driver's seat with only one loss and six wins to their credit and one game left to play.

**FINAL ROCK**  
 The tournament was not de-

livered until the Trenton skip delivered his final rock. Dundas were lying first and third when skip Earl Jesse threw his final stone and made a double take-out to leave no chance for Dundas to tie the game as they had only one stone left.

Highland Creek at the same time were defeating Kitchener's Al Shirk, a 74 year old veteran who shook a lot of the younger fellows to their boots. Through the four days' curling, several games were decided by extra ends.

**IMPRESSED**

All the curlers were really impressed with the fine ice making by Al Beeny, the magnificent food of Mrs. Annie Bingham and the North Halton staff under the capable leadership of Nick Carter, without whose co-operation this tournament could not have been held.

Final team standings were as follows:

Trenton 7 wins 1 loss  
 Highland Creek 6 wins 2 losses  
 Orangeville 5 wins 3 losses

Prescott 5 wins 3 losses  
 Kirkland Lake 4 wins 4 losses  
 Dundas 3 wins 5 losses  
 Kitchener 3 wins 5 losses  
 Corunna 2 wins 6 losses  
 Sault Ste. Marie 1 win 7 losses

**FAVOURITES**

Spectators filled the North Halton club at each and every game. After four games spectators were choosing the team they wished to root for and by Sunday had definite favourites.

A good time was had by all the spectators and curlers alike.

This tournament proved to be of great interest to the members of the North Halton Golf & Country Club, the Legion members and the town in general.

We would like to point out that many people who were not curlers, helped to make this tournament a success, one organization that deserves a vote of thanks is the Radical Car Club, who provided drivers for the participants, who had nothing but praise for these young men who gave up their time to help out.

**TV SETS**

Labatt's were the hosts for this tournament and were largely responsible for its success. They provided the four television sets to the winners and the Samsonite luggage to the runners-up. Our special thanks to their sales representatives Pete Chapman and Bob Brewer, and their district representative Stan Haanel for their able assistance and co-operation in organizing this tournament.

Speaking as a curler, I hope

that this tournament has sparked an interest in the game to young people in town who have never had the opportunity to watch good competitive curling before.

Having been a competitor in both the Provincial and National Legion tournament last year Georgetown's Branch 120 need never take a back seat to anyone on the performance they have shown in the past four days running this tournament and organizing the social functions.

## DO OR DIE FOR JUVES IN ORILLIA

Georgetown Juveniles will win in Orillia Sunday or bow out of the OMHA Juvenile playoff free-for-all.

It came down to a do or die game after Orillia edged the locals 3-2 in Georgetown Memorial Arena Tuesday night to even their best of five series at two games each.

**DISALLOWED**

Fowler from Hay and Wiles got Georgetown's first goal at 9:10 of the first period. Dave Guest from Lewis and Poulson notched the second one at 14:54.

Georgetown actually got a third goal a few seconds after their second one but it was disallowed. The official ruled he didn't see the puck enter the net. It would have given the locals a 3-2 lead with just five minutes to go.

**WON SUNDAY**

Orillia scored their winner at 15:51 of the final frame. Georgetown had taken a 2-1 lead in games by winning in Orillia Sunday 4-3. Guest, Fowler, Hay and Gerry Neil did the sniping for the winners.

**PEEWEEES ALIVE**

Georgetown PeeWees can wrap up their series with Barrie by at least gaining a tie here tonight.

They won the first game 4-2 last Thursday, and settled for a 7-7 tie in Barrie Saturday. This is a best two out of three set.

**MIDGETS OUT**

The Georgetown Midgets' bid for a championship has been snuffed out by Richmond Hill, who chalked up their third straight lopsided win here Tuesday. The locals had lost 7-0 here a week ago, and 5-1 in Richmond Hill Sunday before dropping Tuesday's game 8-0.

Our thanks to one and all who made the tournament the success that it was.

## HOT SPOT

Last year, due to noticeable efficiency breakdowns in the workings of the Town of Georgetown, our council initiated and completed a study. Stevenson & Kellogg Ltd., a noted consulting firm, were hired to investigate all aspects of the town machinery, both physical and mental, and to submit a report with recommendations.

The report, costing \$4,000 was submitted in the late fall. The major recommendation made was to hire a town administrator, manager or whatever name — the reason being that the town council apparently was (and still is?) not too efficient in handling normal workday problems, to complete programs, i.e. roads, depreciation funds, equipment, forecasts, proper planning, etc.

To rather drastically point out their inefficient workings, it is now approximately 4 months from the report submission and although they have agreed the town needs this position filled, they cannot agree as to how to hire a man or how much they should pay him. We wonder now which program will be completed first, the 1960 road program or the hiring of an administrator?

To the Georgetown Council, we can only ask when you will get off your duffs and show your capabilities as responsible leaders. Perhaps you presently are!

To the Georgetown residents, remember this is election year. It is **NOT TOO EARLY** to review your present council. Come out and see them in action at the committee meetings every Thursday at 8 a.m. and regular council meetings every other Monday, with the next one being March 2nd. There will be no pretty speeches or remember whens . . . . .
