 PROCEEDS FOR HOLY CROSS CHURCH

The Government makes the tax rules.

Start using them and save some money.

You can save up to \$2,500 a year of your earned income, watch your money grow, and still have control of it.

The government says in effect "Plan now for your retirement, and we'll allow you to pay as much as \$2,500 into a registered retirement savings plan. And we won't tax you on it."

So you merely lower your taxable income by investing in a registered plan.

You pay tax on the money when you choose to pay it.

This has led some to call the plan a tax shelter.

One fellow who took the time to plan for his retirement took the time to plan for his life. He saved \$10,000 for six months. He can leave it in till he's 65 for good.

Either way it's an excellent plan for you.

It's especially valuable because we don't have a lot of salesmen out making calls, therefore you don't have to pay high sales commissions.

All you have to do is call us. But don't put it off.

The deadline is this Saturday. You can't declare any contributions for 1969 after this date.

Do it now. Use the rules. We'll be open Saturday till 4 p.m.
