

# School Poster Contest Promoted Dental Health

Children were free to "do their own thing" just so long as they got the message across in a poster contest promoting dental health in the local elementary schools. All of the local schools were asked to take part in the contest, a project of Mrs. Mary Ludzik of the Halton County Health Unit's dental division.

Winners were selected from each kindergarten and the first four grades. They were Duane Hatcher of Park kindergarten, David Lince of Park grade one, Ellen Fitzmaurice of Holy Cross grade two, Maureen Ollivier of Park grade three and Cathy Wilson of George Kennedy grade four.
