

Institute Reviews Year Chooses New Executive

Mrs. William McPherson was elected as the new president of the Hornby Women's Institute. Mrs. Hugh O'Connor was hostess for the annual meeting of the Hornby Women's Institute held on Wednesday, April 8. The president, Mrs. Cecil Pat-

The secretary, Mrs. Roy Wilson, read the correspondence which included letters and cards of thanks for flowers and gifts received, the usual letter from the adopted child in Hong Kong was also read. Mrs. Cliff Wrigglesworth said the new district president is Mrs. George Henderson.

The district annual is to be held in Hillcrest United Church with afternoon and evening sessions. Each Institute is to have a display of crafts also butter tarts and jelly roll.

School Girls as Models Fashion Show Featured

Not all the sunshine was outside Saturday afternoon. Centennial senior school auditorium was glowing from within as 21 high school girls modelled light and bright frocks for a

good crowd at the Georgetown Business & Professional Women's fashion show. The show was put on by Simplicity Patterns and Towne Sewing Centre. An audience of about 80 viewed the parade of summer wear and one of them, Joanne Mackie, a home economic teacher at Stewarttown Senior School, was the lucky winner of a \$15 voucher.

Says R.C.'s Willing to Pay Extra Costs of Separate Education

251 Wales Crescent
Oakville, Ontario.

Dear Sir:

Regarding the statement recently made by a representative of the Halton County Separate School Board — "We can not raise the mill rate above the public school board or else the people will send their children to the public school".

Once again at salary time we hear the voice of Medieval Parochialism.

The Catholic people are quite willing and able to pay \$50. a year extra to support the necessary expenses of a vigorous separate school system.

Let Board members be very clear that as tax payers we expect quality education for our children and competent professionalism in the classroom; and we will settle for nothing else!

Very truly yours,

R. G. McCallion
Ex-Catholic School Board Trustee

Outstanding Performer At Trinity Music Recital

The Canadian Trinity Teachers' Association held a recital for the Intermediate grades of Music on Saturday, April 11, at North York

Public Library, Willowdale.

One of the outstanding performers was Michele Mumby, daughter of Mr. and Mrs. George Mumby, R. R. 1, Georgetown, and pupil of Dorothy Richardson Scull, Georgetown. Michele's playing of the Kuhlau Sonata No. 1, opus 20, so pleased the panel of teachers a

executive present, she was asked to remain and take part in the auditions for the senior recital following the close of the Intermediate recital. She duly passed the audition with concert rating.

Don Mills, Ontario
Canada

Dear Sir:

Recently one of your representatives, Mr. Robert Downey, demonstrated the Falcon Fire Alarm System in my home. After seeing this information I was immediately convinced we needed this type protection, but my wife was not so sure. She felt it was unnecessary expense.

On the morning of January 13th, 1970 only 12 hours after our alarms had been installed, we had an over-heated condition develop and the Falcon Alarm gave us the early warning that saved our home and our lives.

Today, my wife would not give up our alarms for any amount of money, and I believe everyone should have the detectors so they could sleep as well as I do now, knowing we are protected.

I want to thank Mr. Downey for protecting my family and also we wish to thank Renn of Canada for the prompt replacement of our activated alarm.

Sincerely and Gratefully,
— Herman Holzhausen

Two years from now a 1970 Buick Skylark should be a little newer than most other cars.

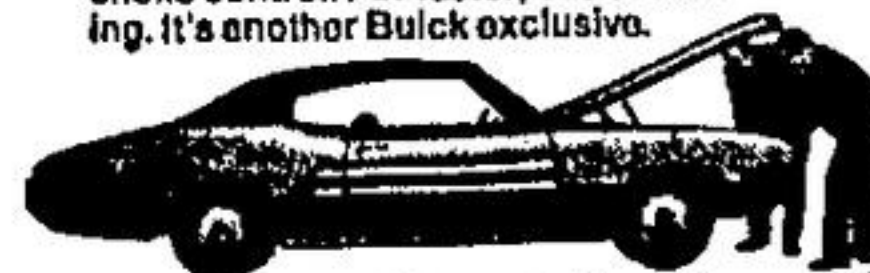

All Buicks are built that way. To last. To look new longer and act new longer. Buicks are built to keep their value longer. To be worth more to you today. And to be worth more to you tomorrow. Buick value is lasting value. All Buicks are built that way.

Every Buick Skylark has a semi-closed cooling system. It should never overheat. A Buick exclusive. Every Buick Skylark has vented rocker panels. They keep themselves dry, to protect against corrosion.

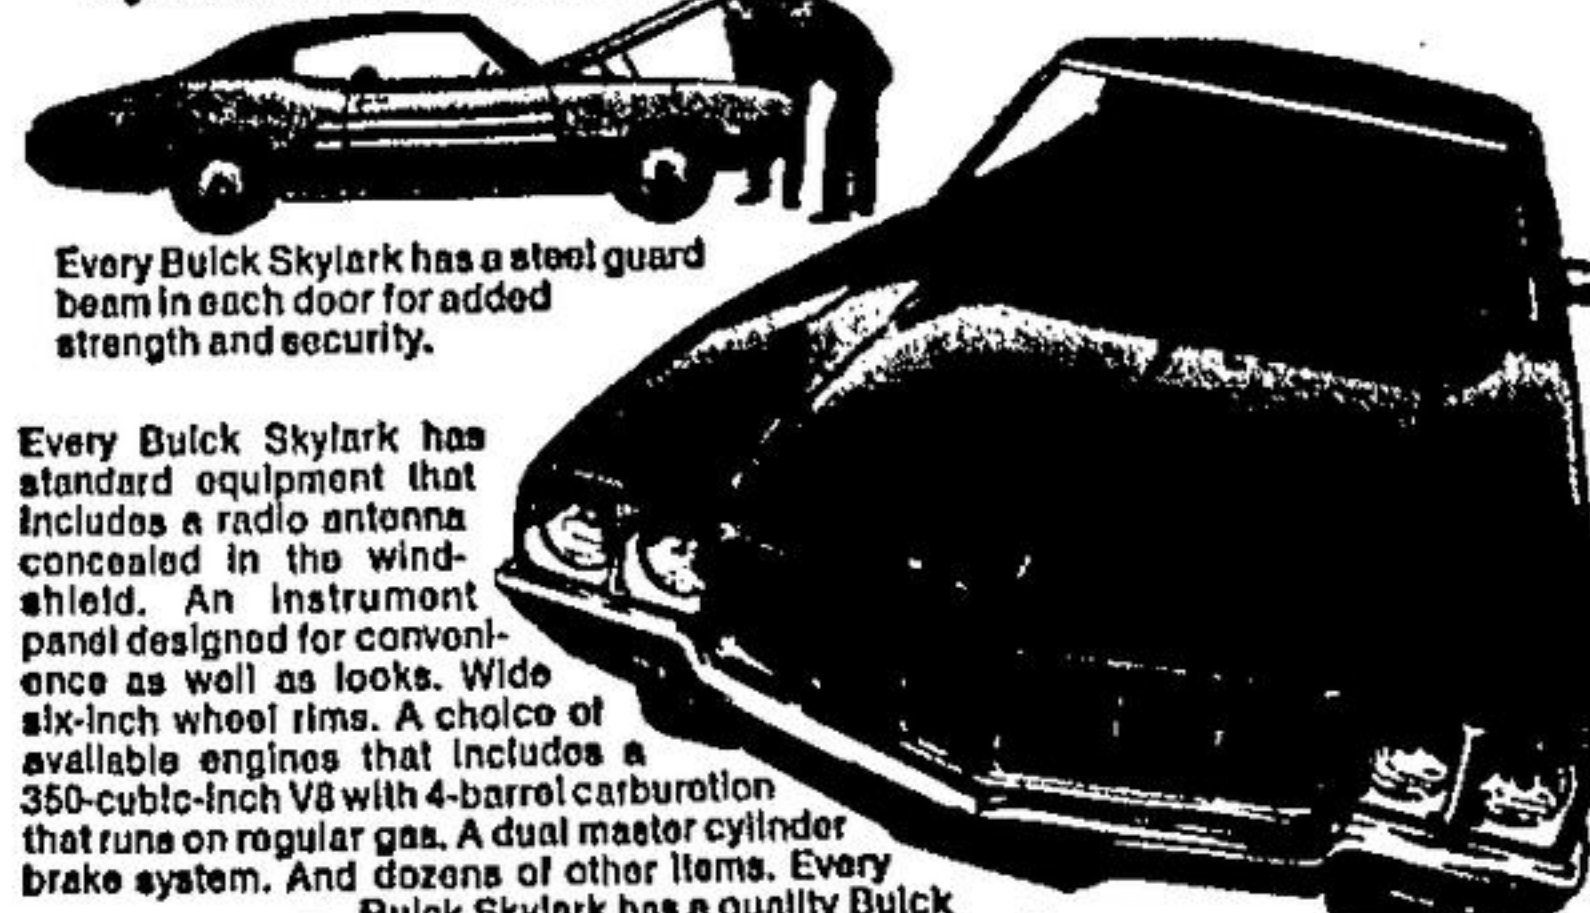

Every Buick Skylark has bias-belted tires. For improved traction during braking, cornering and acceleration.

Every Skylark equipped with a V8 engine has been equipped with a unique time-modulated choke control. For faster, easier starting. It's another Buick exclusive.

Every Buick Skylark has a drive train that has been balanced right on the car. Every vibration possible is tuned out. Every Buick Skylark has self-adjusting brakes. Every extra mile possible is built in. Every Buick Skylark has been checked and rechecked. By man. By computer. To be as flawless as possible.

Every Buick Skylark has a steel guard beam in each door for added strength and security.

Every Buick Skylark has standard equipment that includes a radio antenna concealed in the windshield. An instrument panel designed for convenience as well as looks. Wide six-inch wheel rims. A choice of available engines that includes a 350-cubic-inch V8 with 4-barrel carburetion that runs on regular gas. A dual master cylinder brake system. And dozens of other items. Every Buick Skylark has a quality Buick dealership behind it. Filled with facts about Buicks and Buick value. Filled with men ready and waiting to help you. Every Buick Skylark is a bargain.

Buick Value. Something to believe in.
