...AND WASTE-FREE TRIMMING, TOO!
Our method of trimming means extra value for you, too! We trim away all excess fat and bone before weighing... you get more perfect eating meat per pound, more eating meat for your money. All this means that when you serve a delicious Rib Roast, for example, you'll be serving a roast free of excess fat and bone... with a maximum amount of juicy, tender eating meat. And it means a lot to be sure the meat you serve is tender, juicy and full of flavour.

WE RESERVE THE RIGHT TO LIMIT QUANTITIES TO REASONABLE FAMILY REQUIREMENTS.
