Back row, John Lenski, Larry Pringle, John Veitch, Jeff Couligan, Rick Rodgers, Grant Bodnar, Gary Miller, Bruce Bond. Coach Jim Beckett, Nelson Seeler, and stick boy Scott Beckett. Missing is Robb Savage.

Cable sportscast following the games. Game highlights will be featured occasionally throughout the season on the local TV also. It will be interesting to note whether baseball or hairdos rate top billing during the taping. That's something else for the coaches to think about.

The coaches will have their initial meeting at the home of League Commissioner Pete Pomeroy on Tuesday, May 19, at 7:30 p.m. Equipment and teams will be given out at this session.

TAG DAY

The annual tag day has been set for the weekend of July 9, 10 and 11. Each player is asked to tag for about 3 hours and will be given time and locations by their coach. These funds are necessary to keep the league in the black. The Kin Girls' ball receives no financial assistance from the town tax coffers whatsoever. All monies are raised through registration fees, sponsors fees, and hopefully, a successful tag day. The Kinsmen Club of Georgetown also donates a considerable amount of money to the league to ensure the players have everything required to have a good league and lots of summer fun.

Another popular repeat this year will be the junior invitational tournament. Saturday, July 4 is the day set for this big event at the Georgetown park. The teams will be out to dethrone the Glen Williams entry, who captured the trophies last year.

MOST HOURS

It is expected that the competition will be very keen for the Home Run Queen trophies. Each year, 1 junior and 1 senior player walk off with this handsome award for having hit the most home runs in the regular season of play. Kathy Op-rica was the 1969 junior queen with Janice Inglis carrying home the senior trophy.

The Gary Alton Trophy for Most Improved Player in the junior league will be presented at the championship finals as a surprise for one lucky player. Judy Mack of Zenith Tool & Die was awarded the trophy in 1969. The junior coaches present one player from their team as worthy of this recognition and the league officials choose from there.

DEFER FEES

All girls interested in enjoying a good summer's fun with an organized league should keep the registration ad from next Thursday's Herald, complete the form fully, and bring it along with their \$1.50 to Pete Pomeroy's Sports on Main Street North on May 8 and 9. In view of the prolonged strike at Smith and Stone plant, the League will defer the fees for the players from Smith & Stone employees families.

FIRE BUREAU SHOPPING FOR NEW FIRE FILM

A new film on fire extinguishers was viewed by members of Halton County Fire Prevention Bureau at their April meeting, held in Milton last week.

The Bureau has been saving up money for the past year to purchase a new fire prevention film, and most of the members were satisfied the film on fire extinguishers would be useful in their local programs. The film demonstrates methods of using fire extinguishers and explains which type of extinguisher to use on fires. Bureau chairman Chief M. Holmes of Acton said it would be a good film to show to industrial employees, many of whom are not familiar with the variety of fire extinguishers found in plants today.

Bureau secretary Inspector Peter Campbell, Oakville, was asked to enquire into the cost and availability of the film.
