

Cribbers, Dart Throwers on Target With Windup Presentation Night

by Ralph Hawes

Although the Industrial darts and Cribbage league is not affiliated with Branch 120 there exists between the two organizations a friendship and understanding which is quite unique.

We were quite surprised to learn last Friday at the Industrial league's banquet and dance, that approximately 75% of the dart league members are also members of the branch, also 50% of the cribbage players are Branch members.

The Industrial league's final evening was the best ever, we have been fortunate enough to be a guest on these occasions for the last six years and have never seen one so well organized or so well attended as last Friday's.

JOE PRESIDENT

After the members and their ladies had enjoyed an excellent dinner, prepared and served by the branch auxiliary, an election was held for president, secretary-treasurer and recording secretary. Joe Poirier, was again elected as president, Hank Russell, became secretary-treasurer, and Jim Ford started his second term as recording secretary.

The presentation of trophies followed. The league champs were the Emsons: K. DeRose, H. Bottoms, D. Capperault, J. Wallace, T. Brunski, W. McCartney, J. Goudie, won the Rocky Lorusso trophy. Doubles champs winners of the R. O'Brien trophy were A. Lawrence and F. Ziegler, the Jim King trophy for singles was again won by H. Bottoms.

The Bakelites were the champs of the cribbage teams J. King, J. Knight, J. Fry, T. James, W. Cunningham, C. Christenson.

TWENTY-NINER

Doubles trophy for crib went to Joe Poirier and A. Rossignol, singles to A. Rossignol, Bruce McQuarrie received a special award for having a twenty-nine hand.

A going away gift was presented to Sid Tipton an ardent participant in crib over the years.

The Country Rhythm Boys were on the band stand for the dancing. Jim Randall and George Gaskill and Sheila Broadbent entertained during intermission.

Regardless of the NHL playoffs members turned out to the general meeting on Thursday.

President Hals read a letter from Mrs. Isham of the ARC Industries of Hornby thanking the branch for the TV donated to the organization.

NEW RECORD

Norm Ward received a vote of thanks for the very successful initiation night. After the reports were read there was no general business, the quickest meeting on record.

Members made a beeline to the colour TV downstairs as soon as the meeting was adjourned to watch Boston win again.

There were no darts last Friday, Joe was far too busy upstairs running the banquet, dance, and presenting prizes, next Friday the dart shoot will be on again.

The lucky car club winners were J. Goudie, M. Taylor, J. Kemshead, A. St. Laurent, G. Gaskill.

CAPACITY

This Saturday there will be darts and a social afternoon at the branch, the 120 ladies auxiliary will be host to Zone B7 ladies who will be competing in zone darts, this is the final of a best of three series, Georgetown ladies and Port Credit have won one game each.

Pat's Saturday night dance was most successful with a capacity crowd enjoying Ross Hillier and the Country Rhythm Boys, next week Pat is having the ever popular Peel County Gents, who in the past have always filled the hall.

There was a definite lack of interest in the election of the Legion-sponsored Saturday morning executive for 1970-71. The election, dinner meeting was at the Legion Hall last Sunday. Those elected were Bud James, chairman; H. Arnold, vice - chairman; two executive members J. Yates and W. Fisher; secretary R. Bralby; treasurer P. Pew; referee in chief J. Perkins; entertainment chairman W. Fisher.

Bralby. Missing are treasurer Pete Pew, NHL commissioner Oral McLaughlin, and Senior League commissioners Herb Hancock and Mantley Denmore.

ENROLMENTS GOING DOWN

Halton Board of Education was told Thursday night that the percentage of kindergarten enrolments will drop in the next three years. Assistant director of education Douglas Lawless advised the board to cut down on the new kindergarten classrooms planned for the future.

He said that in 1969, kindergarten enrolment was 2.06 percent of the population. It dropped to 2 per cent this year and will be 1.9 per cent in 1973.

He said that studies show that Halton's population will climb from 178,000 to 206,000 in three years, up 16 percent but kindergarten population will only grow from 3,882 pupils to 3,867, up 7 percent.
