

Ladies' Dart Team Retains Zone Trophy

by Ralph Hawes

It's hard to realize that a quarter of a century has been reached since the cessation of hostilities in World War II. When one looks back it seems impossible that it is twenty-five years.

It is said that we veterans are a vanishing breed. Once again it's hard to believe that this is true, yet we have to face it, fifty-five percent of Canada's population have no recollection of World War II.

The ratio of the veteran to non veteran is one in twenty. It's going to get less, so perhaps we are a vanishing breed. However, yours truly is getting carried away, so we will get back to the subject.

1970 marks the twenty-fifth Anniversary of the cessation of hostilities of the second world war. We feel that 120 should mark this occasion with some public ceremony and appropriate heedful attention, for let's face it, there will not be many of us left for the 50th anniversary.

Perhaps the Branch should have a week of observance similar to the National Veteran's Week in June 1967. The Branch has a man who can handle such a week. David Bowman was chairman of the Veteran's Week and along with his committee made the week one of the most successful projects undertaken by the branch. We know David could do it again.

material. Anyone who has surplus pocket novels, books or what have you, leave them at Branch 120. They will be forwarded to Canadian Leg. Educational Services, and from there will be shipped overseas.

Provincial Command has finally reached the 100 thousand membership target.

Thirteen teams took part in the Ladies Zone Social Darts last Saturday. This is not to be confused with the regular Zone Dart Championships. Now maybe we are all mixed up but we understand this is a best out of three deal. The ladies have three social dart afternoons each year. If a branch wins two straight that's it, however this year Port Credit had one win and Georgetown one, Saturday was the third and final playoff. If another Branch other than Port Credit or Georgetown had won, there would have been a three team playoff so that a winner would be declared regardless. However such was not the case last Saturday. Georgetown came in first, second, with Port Credit third and Branch 120 ladies retained the trophy.

We hope the above is correct if not we know some of the Branch lady darters will be after us.

Ladies do not forget the Zone Rally. The bus will leave

the Branch at 7 p.m. Thursday May 14 bound for Cookeville. You will elect your new Zone Sports officer. President Jean Reid is hoping for a good representation from Branch 120.

TIME CONSUMING

Friday the Branch election team of comrades H. Hale, B. Collins, N. Ward, A. Roberts and R. MacKenzie were at the Oakville Branch where they supervised, handed out ballots and scrutinized for the annual election of officers of that Branch. It seems it was quite a time consuming operation for it was in the wee hours when the team returned home.

While all of this was going on Joe 'throw the dart' Poirier, was busy with his dart shoot. J. Markham, B. Reese, A. McCartney, R. Lincoln, J. Markham, V. Collins, F. Dickenson, T. Burgess, S. Gisby, R. Lincoln, were the winners. Car club winners were Mrs. A. Jepson, Mrs. N. Chaplin, Mrs. M. Patterson, Mrs. G. Collier, and J. Patterson.

The versatile Peel County Gents were on hand Saturday at the Saturday night dance where dancers really enjoyed their music.

Lucky winners were E. Waites, R. Hawes, R. Wagner, and D. Donnelly.

Five Charges, Suspend Sentence for Youth

A 17-year old Georgetown youth who three weeks ago pleaded guilty to five charges of breaking and entering, Wednesday was given suspended sentence on all five counts.

He was also placed on probation for two years by Judge James Black who told the youth that the convictions against him would stay with him the rest of his life "which is punishment in itself."

WAS LOOKOUT

The youth who had been remanded for two weeks for a presentence report, had earlier admitted taking part in five robberies in which he acted only as lookout, over a period of two nights.

"It appeared he was led astray by the company he briefly kept," assistant Crown Attorney Murray Rouleston commented, agreeing to the probationary term.
