

Nursery School No Mere Baby Sitting Service

Mrs. Mary Goebel of the nursery school staff and parents association president Mrs. Josie Foot inspect an extroverted butterfly.

Signing her latest work of art with a splash of paint is Maple Nursery School pupil Dawn Challenger.

Fifty parents visited the Maple Nursery School Open House Thursday night, to view the creative work done by the toddlers in the co-operative nursery school.

Paintings, sculpture, nature study finds from trips in the fields, were shown in the room of Cedarvale Community Centre used by the children as a classroom. All kinds of constructional toys, skill-developing toys and a complete doll centre with its own miniature stove, fridge, told the parents of some of the pre-schooler activities.

In this co-operative nursery school with 39 children enrolled at the moment, the parents play a major part. They help in the winter time with snow boots, snowsuits, etc., provide transportation for trips, fill in when the qualified teachers are sick, and administer the school funds. It is a non-profit organization.

The staff consisting of Mrs. K. Hall, supervisor, and assistants Mrs. M. Goebel, and Mrs. M. Scanlon, stress the school is not a baby-sitting service only. Its aim is to stimulate the child's awareness, which will in turn make them explore ideas by themselves.

Fathers too, play a role by providing materials for play and by making and maintaining equipment.

Earlier this month Mr. and Mrs. Fred Nurse attended the graduation of their son Jeffrey at Kemptville Agricultural College. Also they called at the home of Mr. and Mrs. Graham Reeve and little sons in Manotick, near Ottawa.

The Friendship Unit of the UCV was held on Tuesday evening May 12 at the home of Mrs. George Wilson with 17 ladies attending. Leader Mrs. Jas. Carney opened the meeting with a poem called Blossom Time then all sang the hymn, Onward Christian Soldiers and prayer.

Secretary Mrs. George Wilson read last month's minutes and called the roll which was answered with the word Hope. Mrs. Ford Wickson had charge of the worship service on a dream and a hope, that riots and wars and such unrest in the world today will cease.

Mrs. Clayton Wilson reported on the executive meeting she had attended in April at Bethesda United Church and told some interesting highlights of supply work that is being done.

The study was given by Mrs. Francis Thompson on "From War towards World order," followed by a question and long discussion periods. A duet by Mrs. John McNabb and Mrs. W. Brownridge "Let there be Peace on Earth" was so appropriate at this time and a delight to listen to. The courtesies were given by Mrs. Ward Brownridge, who also read a poem to Mrs. Chas. Austin (a very valued member who is leaving) which told of the many helpful accomplishments she has done through the years as a member of the WMS, the UCV and the present unit. Mrs. Claude Picket presented her with a dainty cup and saucer, for which Jean expressed her thanks. We shall miss her at our meetings, but we know she will make many friends in Elora, their new home, or wherever she goes.

Prayer and a social hour closed the evening.
— Mrs. John Bellbody

Come to Church

BIBLE THOUGHT
"For this is good and acceptable in the sight of God our Saviour" 1 Timothy 2: 3
The Saviour is at God's right hand with a lost world at heart. "He ever liveth to make intercession for us."

Says Visiting Choir Will Rank With Best
105 Rexway Drive,
Dear Sir:
I feel compelled to write about an outstanding concert given by the St. Augustine Boys' Choir on Friday, May 8, 1970 at St. John's United Church. This concert was a rare experience of excellent musicianship and interpretation. Under the competent leadership of Mr. Hanson, these boys sang a difficult program of both sacred and secular music which captivated the audience.

After listening to many boys' choirs, I feel that the St. Augustine Boys' Choir will eventually rank with the best. Considering that the world-renowned Vienna Boys' Choir has been in existence for centuries the St. Augustine's choir in Toronto holds promise for Canada's artistic future.

An evening of musical inspiration such as this passes by much too quickly!
Yours truly,
Adrienne Beecker and Esther Smith.

Movies, Not Vandalism This Young Man's Aim
29 Balfour Cres.
Dear Editor:
I wish to take this opportunity to write to you to express my opinions and concerns about the lack of activities in the entertainment field in Georgetown.
I feel certain that if there were nightly shows, etc. for teenagers, the vandalism in Georgetown would go down almost to nothingness. I am aware that the old movie theatre in Georgetown burned down, but if the council could try to get sponsors who are interested in the reconstruction of this theatre, could not these large companies supply enough money to rebuild this community centre.

After all, wouldn't it be better to stop vandalism with such things as movies, instead of force and punishment?
Sincerely yours,
Bill Rannachan, Grade 7

Plan Adding Two Rooms To Retarded Workshop

A large recreation room and a general purpose room will be added to the present A.R.C. Industries building at Hornby. It was decided at the general meeting of the North Halton Association for the Mentally Retarded last week.

S. Cannon, chairman of the residence, told the association a piece of land in Halton County had been optioned for a residence for the adult retardates. The site must be approved by the government. The residence would house adults without parents to look after them.

Two films were shown to the approximately 50 people in attendance. They showed the care of retarded children in group homes with a house mother as opposed to large institution type care. The small home type atmosphere is presently being used widely in England.

The films went on to show the retraining of the children so they could work in sheltered workshops in their adult years.

President Jim Langedyk presided at the meeting.
