HELP!

Is your team's activity the best kept secret in town? If so there's something you can do to change things. Tell us. Or tell your league secretary or publicity officer if you have one.

The list of sports organizations operating during the summer season is so long that it is impossible for us to consistently report on all of them without your help.

To name a few: senior baseball, minor all star baseball, house league baseball, industrial fastball, inter-county fastball, ladies league softball, senior and junior girls softball, Halton rural men's softball, Halton rural ladies softball, minor rural softball, town soccer, Halton-Peel soccer, rigger, Georgetown Club golf, North Halton Club golf, North Halton Kart Club races, horseshoe league, lawn bowling.

It would take quite a staff to cover these and every other single sporting event that takes place in the Herald's coverage area.

If your games or events aren't being publicized weekly in The Herald we apologize — and ask your assistance.

And, if by bringing up the matter of publicity in front of the rest of the club, you suddenly find you've been elected publicity chairman (that often happens) here are a few tips that will help both of us.

Make sure names are spelled correctly. Mention outstanding plays and outstanding players. Stick to facts and restrain the urge to fill the report with opinions. (In other words don't knock the opposition and blame the ref or umpire.) Keep the reports up to date by turning them in as soon after the playing date as possible. And be consistent — report on the losses and ties as well as the wins.

Use our mail slot slot or call 877-2201. You'll be helping your club as well as helping us tell the complete local sports story.

Giants Bow Second Time to Oakville

A bespectacled right hander named Clay Glassford and inept hitting by Georgetown enabled Oakville to take over undisputed possession of top spot in the Halton County Junior baseball league last Wednesday.

He threw a five hitter to beat Georgetown 5-1 his second victory over the locals in two meetings. He beat the Georgetown club 4-2 in Oakville's home opener the week before.

Oakville Royals jumped on losing pitcher Tom Brotherton for two runs in each of the first and third innings to build a 4-1 advantage.

SCORED
Georgetown scored in the second inning when Mike Tost walked, stole second and scored on Joe Clarke's single.

Georgetown threatened in the seventh inning when Tost doubled and Densmore singled to put runners on first and third with nobody out. But the next two hitters struck out and Bob Nell grounded out to end the inning.

Williams relieved Brotherton in the seventh. Ray Inglis worked behind the plate for Georgetown.

Carry Scroll, Will Mark Anniversary Bruce Trail

The Bruce Trail will be ten years old this summer and a scroll will be carried along the 427 miles of the trail to commemorate the event.

There are 14 Bruce Trail Clubs in Ontario, and the Iroquoia club will be carrying the scroll nearly 70 miles through north Halton where the trail runs along the Niagara Escarpment.

More than 30 people have signed to bear the scroll along the escarpment. The walk will last from June 6th to Sept. 19, when the scroll will be placed in a cairn at Queenston.

The Iroquoia Club will start walking through north Halton on August 22nd and will reach Queenston by Sept. 19th.

BIG GAME FOR OPENER

The Halton Ladies softball league pens tonight with a big meeting right off the bat. Glen and Georgetown girls meet in Glen Park.

The non-compact compact.

The new Renault 12.

The compact that doesn't compact you. The first compact of the 70's that gives you economy, convenience, performance — and puts extra comfort where the others put claims.

The Renault 12 is the only new compact that meets all the requirements of the car-buyers of the 70's.

Its purchase price is surprisingly low. And it gives you 35 miles to the gallon. The others can't even come close.

It accelerates from 0 to 60 in 15.2 seconds.

That's performance. Passing power.

It's a convenient size (170 inches) for easy handling and no-problem parking. Front wheel drive combined with powerful disc brakes and radial ply tires means safe, sure handling.

And because the new Renault 12 is not just a scaled-down big car, it gives you the comfort you never thought you'd find. Like 4 wide doors. More legroom and headroom than the competitors in its category. 17 cubic feet of trunk space. Seats carved from 7½ cubic feet of foam. And more.

Get into the 1971 Renault 12. You may never want to leave it.

Comfort is our thing. Make it yours.
