Close Scores Forecast Good Competition In Kinsmen League

by Mary Cooper

JUNIOR LEAGUE
Tuesday, June 9th

The league kicked off its first set of games amid some confusion caused by diamond shortages and conditions. While the same atmosphere prevailed through Thursday night's senior games it is hoped that by the second set of games the conditions will be improved.

Most games got off to an exciting start with the scores being close ones. The moving up to senior of 8 junior pitchers this year, seems to have benefited the teams.

Mardell's Hairstyles 11
Zenith Tool and Die 8

Mardell led the game all the way, with the Zeniths gasping down their necks most of the time.

Winning coach Hank Russell announced that losses are a thing of the past. His 2nd baseman was game star, Diane Marshall.

Hitting home runs for Mardell's were starring Diane and Sandra Bratkin. The lone home run for Zenith's came from Penny Todd, with pitcher Teri Zuber getting a sound congratulations for holding her team till the very end.

Georgetown Upholstery 24
Murray Motors 8

The Upholsters took no chances as they grabbed off an early lead, and allowed no rallies to threaten.

An outstanding night at bat was enjoyed by Theresa Callaghan. She earned herself half of the game star by belting out 4 home runs for 4 times at bat. The other half of the award went to pitcher Marie Doucette. Marie managed 2 hitless innings, and gave up a mere 11 in the entire 7 innings.

The only other homer for the winners came off the bat of Arlene Ewing. Homers for the Motormen were hit by Diane Bratkin, Lynn Scarborough and Susan Hillier.

Shoprite 5c to \$1.00 17
Georgetown Cycle & Sports 11

Game star was toss up between 3 girls on the winning team, all for defensive moves. Centre fielder Pam Mundy caught a fly at a crucial time, and had a 3 for 4 at bat. Shortstop Cathy Donais made a lovely force play at 2nd, and held a 2 for 3 at bat. Rhonda Preston played an enviable 2nd base and added a single, a double, and a triple for a 3 for 3 batting.

Home runs for the winning Shoprites went to Donna Magdy, Cathy Donais, and Donna Evans.

For the Cyclist, Gail Mack and Barbara Ferris each scored two 4 baggers.

W. F. Hunter Realtor 8
Dairy Queen 7

The Hunter's did their new name up proud as they pulled this squeaker out of the fire.

While winning coach Albert Enman credits the clutch pitching of Margo Butler for pulling the last 2 innings to the Hunters, he also gave a lot of credit to first year catcher Wendy From, who turned in an excellent game.

Three home runs went to the Dairy Queens, from the bats of Leona McAusland, Susan Mandarino and Charlene Milton. Susan also played an excellent defensive first base for her team, and Denise Hatcher hit a double to drive in 2 runs.

Both teams turned in such a credible game that they all deserve to be congratulated. It was a different game to umpire and the playing quality makes the league proud.

Superior Food 9
Kinette Cruisers 6

This match held to a close one for the last two innings, then the Superiors pulled ahead with 4 runs. This proved enough to put the game in their win column.

The game only saw one home run for each team. Joy Howat, 1st base for Superior and game star tagged her seasons first, while April Sacco hit the loner for the Kinettes.

Ed Stewart Comes on Strong To Grab Feature Race Win

by Vivian Shaw

Acton — June 14 — Our feature race for the eight cylinder class today was run very well. Bill Weir blew the rear end and had to retire early in the race. Larry Majury had handling problems as well as Lawrence Majury and both had to retire to the pits. Bernie Campbell also had to retire after losing his right front wheel.

Ron Overland started in pole position and held the lead for five laps with Frank Ball pushing hard. Ball was finally able to get past Overland and held the lead for the next 6 laps at which time Ed Stewart had worked his way up to second place after starting in tenth position. Stewart got past Ball on the 12th and led for the next three laps when Frank Ball took over again. Stewart got the lead back again and held it to make this his second feature this season. With Frank Ball second and Chuck Lawlor taking third place honours.

The 6 cylinder feature saw some action with Howie Scannell driving Tom Neil's car. Glen Speers started in fifth place but took the lead on the first lap and held it for three laps, when Scannell took over the next couple of laps. George Wrigglesworth was handling real good today starting in 8th place he took over the lead on the sixth lap and held it to the bitter end. Larry Majury hit the wall on the tenth lap but was able to get back even though he did have the front bumper rubbing against the right front wheel. George Wrigglesworth took his first feature this season with Scannell second and Larry Majury third.

The semi saw some fine driving with Ed Stewart coming from fifth spot to take the honours here and Chuck Lawlor taking second with Lawrence Majury third.

The last chance today saw some real action with Chuck Lawlor our top point man spinning between three and four turns on the second lap. Hugh Eckerich ran into him and put a hole in his rad and had to retire for the day, but Lawlor was able to continue. On

the flying restart Lawlor was in scratch position but worked his way through a field of 12 cars to take the checker flag with Cliff Faryon second and Tony Piatto third.

Our powder puff drivers are getting real good at their driving these Sundays. No accidents No. 70 had to retire as she was having handling problems, 08 came out the winner with Mable Barton second and Donna Rondeau third.

RESULTS
Late Models
C Heat — Dev Rondeau; Ron Overland; Larry Majury;
B Heat — Frank Ball; Lawrence Majury; Murray Wallace.
A Heat — Bernie Campbell; Ed Stewart; Bill Weir.

Last Chance — Chuck Lawlor; Cliff Faryon; Tony Piatto.
Semi — Ed Stewart; Chuck Lawlor; Lawrence Majury.
Feature — Ed Stewart; Frank Ball; Chuck Lawlor; Murray Wallace; Richard Bentley.
Powder Puff — 08; Mable Barton; Donna Rondeau.

Six Cylinder Class
1st Heat — George Wrigglesworth; John Falke; Larry Cox.
2nd Heat — Larry Majury; Wayne Hill; Larry Cox.
Feature — George Wrigglesworth; Howie Scannell; Larry Majury; Larry Cox; Glen Speers.

Georgetown Georgettes will go into the 1970 Halton Ladies Softball schedule tonight winless. In two exhibition starts to date the Georgettes, who won the Oakville Ladies League title last season, have not found the old winning combination. Both losses were at the hands of Hillsburgh, coached by former Georgette pitching ace Marilyn Eagles.

Georgettes include in the 1970 personnel Peggy Given, Helen Humphrey, Gail Young, Jane McNally, Adele Hickey, Ann Marchment, Susan Stamp, Georgia Lewis, Eve Smith, Janet Armstrong, Bev Johnson, Linda Paul, Chris Schatti, Lillian Paulson, and Judy Cater. They are coached by Paul Robinson, managed by Bill James and sponsored by Carney Real Estate and Georgetown Kinsmen.

Georgettes Drop Pre-Season Tilts
The annual Halton County Dairy Princess competition is being held this year at the farm of Dr. R. D. Kunica, R. R. 2, Georgetown, which is a half mile north of Hornby on the new section of the 7th Line of Eglinton.

A news release from the Halton County agricultural office says that entries are now being received from unmarried dairy farm girls between 17 and 26 years of age.

The competition is sponsored by the Halton County Milk Committee.

The contestants will be interviewed by the judges, present a short talk to the public, and milk a cow with a milking machine.

COACHED BY EXPERT
The contestant is judged on the interview, public address and assembling and sanitizing the milking machine, the milking operation, cleaning and storing the utensils, performance, efficiency, showmanship, organization and lastly, on time.

A coaching night conducted by Halton's Milk Fieldman Joe Brent will be held on Monday, June 22nd.

League Leading Oaks Too Much for Giants

Georgetown Giants and Oakville Oaks met in Georgetown last Wednesday night. It was a 21 batter in the seven-inning meeting between the leaders and the trailers in the Halton County Senior Baseball League, and the outcome was predictable.

The combination of good hitting and good pitching is hard to beat and that's the combination that Oakville used to set back the last place Giants 6-0.

TWO HOMERS
Oaks got homers from Dan Wigle and Savin and two hit pitching from Wayne Krecklewich.

Krecklewich was never in any real trouble as he faced just two more than the minimum 21 batters in the seven-inning game, recorded 11 strikeouts and issued no free passes.

In fact no Giant got as far as second base against Krecklewich, a junior-age southpaw who will do most of his throwing for Oaks this year.

Oaks jumped on Giants starter Tom Bunce for three runs in the first inning, added another in the second and just coasted.

Player-manager Bernie Dore took over the pitching chores for Georgetown in the sixth inning.

A coaching night conducted by Halton's Milk Fieldman Joe Brent will be held on Monday, June 22nd.

The prize money includes \$35 to each competitor, and an additional \$25 and assistance plus the Royal Bank of Canada Tray and Crown to the winner.

Rockwood Pitcher Salmon Is Nemesis for Norval

Norval fastball club have yet to solve John Salmon. Rockwood's tireless pitching machine beat Norval for the second time this season Friday in a pitching duel with Dave Allison that had a 2-1 conclusion.

Ten days earlier Norval threw Wayne Ferrier against Salmon and had to settle for a 2-0 shutout. Both pitchers fanned 14 but Ferrier allowed five hits to Salmon's two. Rockwood's big blow was a home run in the first inning by Beattie.

Norval came out on the short end of a 12-1 game in Hespeler on Tuesday, May 26. Hespeler had 12 runs on 12 hits and two errors while Norval produced their single run on two hits and seven errors.

STUMP, LOGS DOUSED
Only two small fires called out the local fire department last week. Last Thursday at 4:30 a.m. firemen put out a blaze in a pine stump fence at J. C. Foods Experimental farm on the 7th Line.

While Sunday afternoon, they extinguished a pile of burning logs at Hungry Hollow.

POWER POWER
In Hillsburgh on Friday, May 29, Norval showed their batting power by trouncing Hillsburgh 18-2. Pacing the attack for Norval was Bill Sykes with three hits and Brian Peavy and Rick Peavy with home runs. Ferrier pitched six innings and got the win with Neil Korzack finishing up. McCullough was the loser. Norval had 15 hits and made two errors while Hillsburgh had two hits and seven errors.

TEMPER TEMPER
In a hard fought ball game on Tuesday night, June 9, tempers exploded in the 7th inning and Norval and Hespeler benches emptied for a ruckus that halted the game. Norval were leading 6-0 at the time & drew credit for the win. Wayne Ferrier was the winning pitcher and Anderson was Hespeler's loser.

On Friday June 5, Norval clipped Belwood 8-5 as Ferrier again pitched a strong game, striking out nine Belwood batters while Wanless gave up 8 runs on eight hits in losing. Larry Bradley led the Norval offense with two hits, including a home run, and a walk.

BASEBALL PEEWEES SET TO EXPLODE DESPITE RECORD

Though peewees have lost 4 of their 5 games, keep an eye on Georgetown's PeeWee baseball team. It's loaded with talent that is bound to start coming through any time now.

At Densmore and Sam Caruso are the catchers, Gerald Williams, Mike Forbes, Mike McCandless the pitchers, 1st base Rick Gourlie, 2nd base Robbie Freestone, and Robbie Webster, shortstop Doug Barnes, 3rd base Robbie Mossop, and fielders Dick and Dean Popiel and Bob Herman.

The team is coached by Manley Densmore and Dun Densmore and managed by Carl Peterson and have just recently acquired Park Toyota Motors as their sponsors.

They play their regular home games on Monday evenings.

FIVE SCHOOL WRESTLERS IN CANADA CHAMPIONSHIPS
Five Georgetown high school wrestlers will be in the thick of it when the Canadian wrestling championships get under way in Calgary, Monday.

Joe Fohert, Clive Mewell, Brian Leslie, Norm Ferguson, and Vince Graham of the GDHS team will be seeking honours in five different weight classes. Their coach Lou Martin, will accompany them to the matches and while there will attend a coaching and officiating clinic.

If any local grapplers are successful they will stay in the west for a shot in the world wrestling championships in Edmonton the following week.

They are being flown out by the Ontario Branch of AAU.

ROAD-HAZARD INSURED

No Time Limit... No Mileage Limit

Up to 30 MONTHS WEAR-OUT DISCOUNT ALLOWANCE (1% per month) See terms below

Road Hazard Insurance Wear-out Discount Allowance

In exchange for the tire used for further service, due to accidental glass or stone chipping, or even puncture, customer gets a new tire after paying for the tread used on the original invoice which must be presented by applicant. For each unexpired month of the term specified, (See e.g.)

1st 30 month term... 20 month wear-out or 10% allowance applicable to purchase new tire. See full particulars on Page 10 of the Spring and Summer catalog.

If ordinary NYLON will do—Save on Turnpike STANDARD or DELUXE

Turnpike Standard is similar in construction to standard equipment tires when new cars come with these tires — except there's more wear. But Turnpike Standard is made with Dupont Nylon — a much superior cord — and found to pound stronger than steel! Once this factory-floor price is set low, the market assumes a greater risk and most buyers buy Turnpike. (See catalogue)

Turnpike Deluxe, like the racing whippet, is bred for speed. All muscle — no fat. Put it through its paces hour after hour — it stays cool, keeps you from the exhausted risk taking as so many of today's high mileage tires. Turnpike Deluxe comes with a 20-month "No Wear" that Discount Allowance and "No Tread" or "Slits" Limit Road Hazard Insurance. (See catalogue)
