

Truck Driving Champion Eyeing Ontario Honours

Al Donaldson, 36 Hewson Crescent won both the champion and grand champion award at the Toronto Region truck rodeo, on Saturday and will now compete for the whole of Ontario crown.

Al drives for Peel Express Brampton, and first won his own company's championship.

June 13. From there he went to the Toronto Region championships, where he walked off with the straight truck driving competition and the grand championship for the total aggregate points.

In addition to the two large trophies, he also won a money prize.

The contests cover not only driving skill, over hazardous and demanding obstacle courses, but also appearance and written tests.

His fellow workers at Peel Express will be cheering him on in the Ontario championships, which he thinks will be held in Kitchener within the next few weeks.

Good Fishing at Anstruther ... and a Georgetown Welcome!

Mr. and Mrs. Harvey Copland and son Tom, former Georgetown residents operate Coplands Marina on Anstruther Lake at Apsley, Ontario.

For many years Harvey was very active as a worker and organizer at the Georgetown Anglers and Hunters Association.

Anstruther Lake is situated directly north of Stony Lake and just a short jog west from Highway 28. This is excellent country for bass, pickerel, muskies, lake trout, and speckled trout.

Anyone wanting to contact Copland's Marina should drop a line to Harvey at Apsley, Ont. P.O. Box 148. ...

Mr. and Mrs. Bob Rayner and family of Norton Crescent have their house trailer at Victoria Harbour. They spend many enjoyable weekends there.

Bob says the fishing is good for big bass in Hogs Bay and for big pike and muskies in nearby waters. ...

The Rayner family quite often drop over to Connelly's restaurant at Victoria Harbour. Mr. and Mrs. Frank Connelly are former Georgetown residents. They are always pleased to see someone from down here. No doubt Frank can give out some good tips on the fishing nearby by Tom Rayner of Oshawa informed me recently that a nice catch of brown trout were caught by him in the Ganaraska river.

This river has been noted for years for its good brown trout.

BELIEVE IT OR NOT

Mr. and Mrs. Jim Paynter of Arletta Street saw a startling chase a mother robin away from her young ones and start feeding them.

The next day the same startling was seen walking over the lawn with the young robins, apparently teaching them the art of worm picking.

THE BUNNY WORE A BLACK CHRISTIE HAT

George Smith of Victoria Ave. was a good friend of my late father Charlie Hoare. They had many hunting trips together and this was the reason he had for clipping the article about my dad's dog Ole Barney from the Georgetown Herald a few issues back.

The conversation changed after a few minutes and George told me about hunting rabbits with a ferret. This was quite common in those days. Well anyway George discovered several holes with rabbit tracks around them.
